### *2014 National Electrical Code : National Fire Protection ...*

The National Electric Code is officially adopted as legal building code in 47 states. It is also adopted by local governments in their official building codes. But to buy a new copy costs around \$100. Some say you should be able to download the NEC 2014 for free, online . . . . The various governments don't always adopt the latest code version immediately (which comes out every three years), but they typically don't wait too long.
