A 3-Minute Motivator is a quick diversion from the task at hand that helps students eliminate less-than-productive behaviors and refocus attention back on the lesson. Students themselves quickly come to appreciate and even eagerly anticipate these activities, which can be referred to as refocusers. In addition - and this point is of key importance to teachers - all 3-Minute Motivators involve some element of learning in areas including, but not limited to, memory enhancement, creativity ...
