Alberta Children's Hospital sets a new standard in family-centered care. The new Alberta Children's Hospital (ACH), which opened on September 27, 2006, has become an instant design benchmark thanks to its unique child-friendly design approach. From the design to the daily operations of the new facility, the hospital is helping to set a new standard in family-centered care; care that offers the ideal patient and family experience, creating and delivering one of the most advanced pediatric ...
