Art of War: Anthology for Charity by Petros Triantafyllou Why do people buy anthologies? Well there are a few main reasons that I do. First for a sampling of new authors. Second if I like the theme of the anthology, for example Through the Eyes of the Undead was about zombies from their POV. Third...

Hob ' s review of Art of War: Anthology for Charity | THE ...

But, in general, it ' s worth noting a few things about the anthology as a collection. First, it is thematically strong, with all bar a few stories really tying in nicely to the exploration of the art of war, but a huge range of takes on that concept within the book (some grim, some funny, some heartbreaking, some heartening).

Review: Art of War anthology – samhawkewrites

Art of War is a highly ambitious and admirable project headed by Petros over at Booknest, which it ' s fair to say is one of the pillars of the online fantasy community. Not only did Petros wrangle 40 high quality fantasy authors into providing short stories based on the theme of war, but all profits go to Doctors Without Borders and frankly I ...

How do you get forty fantasy authors to contribute short stories for a war-themed anthology without paying them? It sounds as if there should be a good punchline to that, but all Petros Triantafyllou did was twist the moral thumbscrews and tell them all the profits would go to Doctors Without Borders, a charity that works tirelessly across the world to alleviate the effects of conflict, sickness and poverty. So, with clear consciences, several busloads of excellent and acclaimed fantasy authors have applied themselves to the task of penning a veritable mountain of words on the subject of The Art of War, expect bloodshed, gore, pathos, insight, passion, and laughs. Maybe even a wombat. Who knows. Anyway, as the original blurb said: "It's good. Buy it." -Mark Lawrence Featuring: Mark Lawrence, Ed Greenwood, Brian Staveley, Miles Cameron, John Gwynne, Sebastien De Castell, Mitchell Hogan, Stan Nicholls, Andrew Rowe, C.T. Phipps, Rob J. Laura M Hughes, J.P. Ashman, M.L. Spencer, Steven Poore, Brandon Draga, D. Thourson Palmer, D.M. Murray, Anne Nicholls, R.B. Watkinson, Charles F Bond, Ulf Lehmann, Thomas R. Gaskin, Zachary Barnes & Nathan Boyce. With a Foreword by Brian D. Anderson. Print version includes 40 black & white interior art pieces.

This engrossing anthology gathers together a remarkable collection of writings on the use of strategy in war. Gérard Chaliand has ranged over the whole of human history in assembling this collection—the result is an integration of the annals of military thought that provides a learned framework for understanding global political history. Included are writings from ancient and modern Europe, China, Byzantium, the Arab world, Persia, and the Ottoman Empire. Alongside well-known militarists such as Julius Caesar, Napoleon, Walter Raleigh, Rommel, and many others are "irregulars" such as Cortés, Lawrence of Arabia, and even Gandhi. Contrary to standard interpretations stressing competition between land and sea powers, or among rival Christian societies, Chaliand shows the great importance of the struggles between nomadic and sedentary peoples, and of the conflicts between Christianity and Islam. With the invention of firepower, a relatively recent occurrence in the history of warfare, modes of organization and strategic concepts—elements reflecting the nature of a society—have been key to how war is waged. Unparalleled in its breadth, this anthology will become the standard work for understanding a fundamental part of human history—the conduct of war. "This anthology is not only an unparalleled corpus of information and an aid to failing memory; it is also and above all a reliable and liberating guide for research. . . . Ranging "from the origins to the nuclear age," it compels us to widen our narrow perspectives on conflicts and strategic action and open ourselves up to the universal."—from the Foreword

Field Marshal Helmuth Graf von Moltke is best known for his direction of the German/Prussian campaigns against Austria in 1866 and France in 1870-71, yet it was during his service as chief of the General Staff that he laid the foundation for the German way of war which would continue through 1945. Professor Daniel Hughes of the Air War College, in addition to editing and assisting with the translation of this selection of Moltke's thoughts and theories on the art of war, has written an insightful commentary on "Moltke the Elder" that places him in the broader context of Prussian military theorist Carl von Clausewitz's sometimes abstract philosophical ideas. The book also contains an extensive bibliographic and historiographic commentary that includes references to Moltke and his theories in the current literature in Germany, England, and the United States—a valuable aid to anyone doing research on the subject. This volume, in addition to its appeal to scholars, serves as an introduction to the theory of the German army, as well as a summary of Moltke's enduring theoretical legacy. Praise for Moltke on the Art of War "Moltke molded the Prussian and ultimately the German army at a time of technological and economic change. For that reason . . . this book deserves a much wider audience than those interested in nineteenth-century military history. Readers will be particularly grateful for the editor's careful explanation of terms that are easily mistranslated in English, and for concise and useful footnotes and bibliography. A model of fine editing." —Foreign Affairs Magazine "This valuable work ably compiles the selected writings on the art of war of one of military history's greatest geniuses. [Moltke's] impact on American military thinking persists, especially in various military staff college curricula. Strongly recommended." —Armed Forces Journal "A thoughtfully edited, well-translated anthology that merits a place in any serious collection on the craft of war in the modern Western world."—Journal of Military History

The three most fundamental works on the nature of war are Sun Tzu's "The Art of War," Machiavelli's "The Prince," and Clausewitz's "On War." This collection is the ultimate guide to military strategy for strategic thinkers, generals, and heads of state. "The Art of War" is an ancient Chinese military treatise by Sun Tzu, a high-ranking military general, strategist and tactician. It has had an influence on Eastern and Western military thinking, business tactics, legal strategy and beyond. "The Prince" examines the reasons that Kings, Emperors, Dukes and governments have thrived or crumbled, while suggesting a set of principles that any leader would find difficult to follow, but impossible to ignore. "On War" is a book on military strategy by Prussian general Carl von Clausewitz, written mostly after the Napoleonic wars. It is one of the most important treatises on political-military analysis and strategy ever written, and remains both controversial and an influence on strategic thinking.

The words of the ancient Chinese sages are as timeless as they are wise. The words of ancient Chinese philosophers have influenced other thinkers across the world for more than 2,000 years, and continue to shape our ideas today. The Art of War & Other Classics of Eastern Philosophy includes translations of Sun Tzu's Art of War, Lao-Tzu's Tao Te Ching, the teachings of the master sage Confucius, and the writings of Mencius. From insights on warfare and diplomacy to advice on how to deal with one's neighbors and colleagues, this collection of classical Eastern philosophy will provide readers with countless nuggets of wisdom. IBPA Benjamin Franklin Gold Award Winner 2017!

This updated and revised edition of Light at the End of the Tunnel is an exhaustive account of the Vietnam War that gives a total overview of the conflict. Starting with Ho Chi Minh's revolt against the French, Andrew Rotter takes the reader through the succeeding years as scholars, government officials, journalists, and others recount the important events and examine issues that developed during this tumultuous time. This book is essential for anyone who has an interest in truly understanding the Vietnam War. These readings will both educate and entertain students about this turning point in the history of the United States and, indeed, the world.

Collects Deadpool's Art of War #1-4.

The Art of War is an ancient Chinese military treatise dating from the Late Spring and Autumn Period (roughly 5th century BC). The work, which is attributed to the ancient Chinese military strategist Sun Tzu, is composed of 13 chapters. Each one is devoted to an aspect of warfare and how it applies to military strategy and tactics. For almost 1,500 years it was the lead text in an anthology that would be formalised as the Seven Military Classics by Emperor Shenzong of Song in 1080. The Art of War remains the most influential strategy text in East Asian warfare and has influenced both Eastern and Western military thinking, business tactics, legal strategy, lifestyles and beyond. This book has been carefully adapted in to modern English to allow for easy reading.

"Appear weak when you are strong, and strong when you are weak." Sun Tzu, The Art of War This is a complete edition which also contains Preface, Introduction, appreciations of Sun Tzu, Apologies for war and Bibliography. Don't be fooled by other versions as they are incomplete and are 50 page Bullet Points Pamphlets. This edition was translated by Lionel Giles, first published in 1910. The Art of War

is an ancient Chinese military treatise dating from the Late Spring and Autumn Period (roughly 5th century BC). The work, which is attributed to the ancient Chinese military strategist Sun Tzu is composed of 13 chapters. Each one is devoted to a different set of skills related to warfare and how it applies to military strategy and tactics. For almost 1,500 years it was the lead text in an anthology that was formalized as the Seven Military Classics by Emperor Shenzong of Song in 1080. The Art of War remains the most influential strategy text in East Asian warfare and has influenced both Eastern and Western military thinking, business tactics, legal strategy, lifestyles and beyond. The book contained a detailed explanation and analysis of the Chinese military, from weapons and strategy to rank and discipline. Sun also stressed the importance of intelligence operatives and espionage to the war effort. Because Sun has long been considered to be one of history's finest military tacticians and analysts, his teachings and strategies formed the basis of advanced military training for millennia to come. A True Classic that Belongs on Every Bookshelf!

The Art of War is an ancient Chinese military treatise dating from the Late Spring and Autumn Period (roughly 5th century BC). The work, which is attributed to the ancient Chinese military strategist Sun Tzu ("Master Sun", also spelled Sunzi), is composed of 13 chapters. Each one is devoted to an aspect of warfare and how it applies to military strategy and tactics. For almost 1,500 years it was the lead text in an anthology that was formalized as the Seven Military Classics by Emperor Shenzong of Song in 1080. The Art of War remains the most influential strategy text in East Asian warfare and has influenced both Eastern and Western military thinking, business tactics, legal strategy, lifestyles and beyond. The book contained a detailed explanation and analysis of the Chinese military, from weapons and strategy to rank and discipline. Sun also stressed the importance of intelligence operatives and espionage to the war effort. Because Sun has long been considered to be one of history's finest military tacticians and analysts, his teachings and strategies formed the basis of advanced military training for millennia to come.
