F Power Mode Fitness Systematic workout Program for no doubt gives you the best results to achieving a fit body but challenging yourself with new exercises and workouts is a different discussion. When your body gets used to a specific workout program, it loses its effectiveness. For example if you do sit-ups every day in a month and increase the number of reps as days pass, not only it doesn't help your body to burn fats and build muscles, but it makes this exercise easy for your body and it loses its effectiveness. If you always get your body in to new challenges and learn more exercises, for sure, your body is going to be fit. In this

book we challenge you and your body to new workouts and exercises. All of the body parts, legs, abs, and upper body... have been categorized in their own section and each section consists of steps. Each step is different from each other and is a challenge for you. From step 1 as you go forward you face new exercises and different levels of reps for each exercise which has been divided to 3 Modes: Minimum, Middle, and Maximum. Each step is a prerequisite for the next one. If you find a step hard, don't rush ahead to the next step. Just practice this one in your workout till you get comfortable with it and then go for the next step. Choose your Specific Body Type workout program that suits your body.

Excerpt from Dry Stories When Anne Winter looked down at the face of her first-born, she felt that motherhood was the supreme event of a woman's existence. She had been a clever artist in her time; had painted some pictures that people talked of noisily, had decorated the ceiling of a big church in a big town, and done a portrait in oil of one of the ladies of the cabinet. But on a certain January morning all this seemed mere nothingness to the light touch of tiny pink fingers like a drift of rose leaves on her breast. The babe had wailed because it had come into this big, brutal world, and when she had hushed its wailing, it seemed to her that she, Anne Winter, for

the first time counted for something in this world. For the first time, she was. a real factor in the history of humanity. Her psychic senses seemed so quickened that the simplest things had a new significance, and everything in earth or heaven circled about that infant's head.
