Caterpillar forklift - Parts for lift trucks, pallet ...

Caterpillar Forklift History . Caterpillar (Cat®) is nothing, if not a brand that's made for the best, designed to endure demanding work environments and created to provide business solutions that get things done. In fact, it's fair to say that Caterpillar's forklifts provide an answer that's responsive to the market in a way that's faster than anyone can ever think possible.

Cat forklifts include the Presence Detection System (PDS) which is a safety feature that complies with the Australian Standard AS2359. The system prevents movement of the forklift if the operator has not followed a series of steps in sequential order including engaging the handbrake, sitting on the seat, switching on the ignition and then engaging the seatbelt.
