CoderDojo is a global movement of free, volunteer-led, community-based programming clubs for young people. Anyone aged seven to seventeen can visit a Dojo where they can learn to code, build a website, create an app or a game, and explore technology in an informal, creative, and social environment. Within the CoderDojo Movement there is a focus on peer learning, youth mentoring and self-led learning.

Movement - CoderDojo - CoderDojo

Starting a Dojo is a fun and incredibly rewarding experience. The most important attribute you should have is that you can bring people together for a shared goal. Our registration process will guide you every step of the way making sure you have the most useful resources to hand.

Start a CoderDojo club in your local area

Anyone aged seven to seventeen can visit a Dojo where they can learn to code, build a website, create an app or a game, and explore technology in an informal, creative, and social environment. CoderDojo is a true global movement and phenomenon. Volunteers all around the world help young people build a positive future through coding and community.

About - CoderDojo - CoderDojo

The first official CoderDojo book, CoderDojo Nano: Build Your Own Website, was a resounding success: it's available in ten languages, including Bulgarian, Czech, Dutch, Lithuanian, Latvian, Portuguese, Spanish, and Slovakian and thousands of copies have been bought by aspiring CoderDojo Ninjas. Now we are delighted to announce the release of the second book in our Create with Code trilogy, titled CoderDojo Nano: Make Your Own Game.
