[Decentralising public service management](#)

Decentralise authority and let managers manage' has been an almost universal message in UK public services over the last 15 years. But does it really work? Drawing on their own - and a wide range of other research - the authors show that behind the ministerial rhetoric the experiences of NHS trusts, grant maintained schools and housing associations were in practice distinctly mixed.

[Decentralising Public Service Management by Johnston ...](#)

Since 1994, the Irish public service has been engaged upon a long-term programme of public service modernisation, also known as the Strategic Management Initiative (SMI), broadly along New Public Management (NPM) lines. While Ireland's efforts at geographical decentralisation long pre-date the SMI and have not, until now, had significant,

[Public Service Decentralisation](#)

Dissatisfied with the systematic failure of centralised approaches to delivering local public services, a large number of countries are decentralising responsibility for these services to lower-level, locally elected governments. What problems have been encountered with decentralising service delivery and how can these challenges be overcome?

This Senior Leader Master's Degree Apprenticeship programme develops public service managers to make evidence-based decisions, take the lead on initiatives, collaborate with external agencies and solve complex problems within and across organisational boundaries.

MSc Public Services Management | Courses | University of ...

If the central government is willing to give up a direct hand in policy formulation and control it may attempt to achieve the objectives of both production and allocative efficiency by transferring the ownership and/or control of the public service's assets to the private sector. In this case, decentralization takes the form of privatization. Typically, privatization also implies that the services are allocated through the market system with the consumer paying for the service being ...
