Understanding Halal: The Muslim Eating Laws

The Islamic dietary laws and the Jewish dietary laws are both quite detailed, and contain both points of similarity and discord. Both are the dietary laws and described in distinct religious texts: an explanation of the Islamic code of law found in the Quran and Sunnah and a Jewish code of laws found in the Torah and explained in the Talmud. As a rule of thumb, most Kosher foods not containing alcohol are also Halal. However, there are some exceptions, and this article lists the similarities and

Comparison of Islamic and Jewish dietary laws - Wikipedia

Aside from the daily requirements of following the Mosaic dietary laws, which apply to everyone, the heaviest burden for maintaining these observances falls on the women; their ritual and secular statuses are always inferior to those of men. It is the task of the housewife to be sure that meat and dairy foods are not mixed, that ritually slaughtered meat is not blemished, and that cooking equipment and dishes and utensils for meat and dairy are rigidly separated.

7:26-27; Lev. 17:10-14. This is the only dietary law that has a reason specified in Torah: we do not eat blood because the life of the animal (literally, the soul of the animal) is contained in the blood. This applies only to the blood of birds and mammals, not to fish blood. Thus, it is necessary to remove all blood from the flesh of kosher ...
