during the French and Indian War, a leader during the Revolutionary War, and the America's first president.

With more than one hundred black-and-white illustrations, the father of our country, George Washington's fascinating story comes to life--revealing the real man, not just the face on the dollar bill. Original.

This valiant story of how young George Washington was drawn into his country's struggle for independence gives readers a vivid perspective on a crucial era in American history--and on the life of a revolutionary hero.

George Washington, the first president of the United States, is much more than a monument on Mount Rushmore. Who was Washington, the general, president, and husband? He was first and foremost a man of impeccable honor which, despite military adversity and political wrangling, never abandoned him. The Founding Fathers who squabbled and competed amongst themselves did agree on one thing: only Washington could lead the country, first in the country ' s military fight for freedom and then as the man charged with transforming thirteen individual states into a united country. But in his youth, George Washington did not intend to become the Father of his Country. As a younger son of a middling class Virginian, he intended to earn his living as a surveyor, and in that role, he was introduced to the vast potential of the country that would one day be a nation. But when the death of his older brother made him the heir to Mount Vernon, Washington ascended to leadership in the military, political and social spheres of Virginia and the United States. Inside you will read about... The Washington's of Virginia Europe Exports its Wars to the Colonies Washington at Mount Vernon An Englishman no Longer Washington at War The Father of His Country Return to Mount Vernon As a member and later officer in the Virginia militia, he fought with the British army against the French as the two European powers struggled for

control of the rich Ohio Valley. The British, who would refuse Washington a commission in their army, would later meet him in battle as the commander-in-chief of the Continental Army, fighting for independence against the forces of King George III. As a political leader, he would become the architect of the American government. As the master of Mount Vernon, Washington ' s marriage to the wealthy Martha Dandridge Custis placed him among the elite of the Virginia aristocracy. His integrity established a model for subsequent generations to emulate. That few have managed to match his achievements is an indication of his influence and character. Meet George Washington, the man, and discover the identity of this remarkable leader.

A biography of Revolutionary War general and first President of the United States, George Washington, focuses on his use of spies to gather intelligence that helped the colonies win the war. Reprint.

Explore the lives of America's 45 presidents, as well as notable first ladies, famous speeches, and major constitutional events, with The Presidents Visual Encyclopedia. "In a genre overdue for a shakeup, Alexis Coe takes a closer look at our first--and finds he's not quite the

Read Online Dk Biography George Washington

man we remember Young George Washington was raised by a struggling single mother, demanded military promotions, chased rich young women, caused an international incident, and never backed down--even when his dysentery got so bad he had to ride with a cushion on his saddle. But after he married Martha, everything changed. Washington became the kind of man who named his dog Sweetlips and hated to leave home. He took up arms against the British only when there was no other way, though he lost more battles than he won. Coe focuses on his activities off the battlefield--like espionage and propaganda. After an unlikely victory in the Revolutionary War, Washington once again shocked the world by giving up power, only to learn his compatriots wouldn't allow it. The founders pressured him into the presidency--twice. He established enduring norms but left office heartbroken over the partisan nightmare his backstabbing cabinet had created. Back on his plantation, the man who fought for liberty finally confronted his greatest hypocrisy--what to do with the hundreds of men, women, and children he owned--before succumbing to a brutal death. Alexis Coe combines rigorous research and unsentimental storytelling, finally separating the man from the legend."--
