Fam'lies can be together forever. Through Heav'nly Father's plan. I always want to be with my own family, And the Lord has shown me how I can. The Lord has shown me how I can. While I am in my early years, I'll prepare most carefully, So I can marry in God's temple for eternity. Fam'lies can be together forever.

The priesthood power to bind families eternally is one of the greatest gifts of God. Every person who understands the plan of salvation longs for that lasting blessing. Only in sealing ceremonies performed in dedicated temples of The Church of Jesus Christ of Latter-day Saints does God offer the promise that families can be bound together forever. The priesthood keys that make this possible were restored to the earth by the prophet Elijah to Joseph Smith in the Kirtland Temple.

Assure the children that Heavenly Father and Jesus love every family and want every family to be sealed together forever. Explain that families who have not been sealed in the temple can prepare themselves by obeying Heavenly Father's commandments. Then they can go to the temple to be sealed as a family. Song. With the children, sing or say the words to the chorus of "Families Can Be Together Forever" (Children's Songbook, p. 188) several times.

Some children may come from split homes or only live with one parent. But the overall message of the flip chart Families Can Be Together Forever is that everything is made right again in heaven when we are with our entire family again. If you have children in your Primary that may struggle with the song, work towards the message that their family is much bigger than the individual family unit they live with here on earth.

A Study Guide and a Teacher's Manual Gospel Principles was written both as a personal study guide and as a teacher's manual. As you study it, seeking the Spirit of the Lord, you can grow in your understanding and testimony of God the Father, Jesus Christ and His Atonement, and the Restoration of the gospel. You can find answers to life's questions, gain an assurance of your purpose and self-worth, and face personal and family challenges with faith.

In the tradition of The Promise of a Pencil and Kisses from Katie comes an inspirational memoir by the founder of Comfort Cases about his turbulent childhood in the foster care system and the countless obstacles and discrimination he endured in adopting his four children. Rob Scheer never thought that he would be living the life he is now. He's happily married to his partner and love of his life, he's the father of four beautiful children, and he's the founder of an organization that makes life better for thousands of children in the foster care system. But life wasn't always like this. Growing up in an abusive household before his placement in foster care, Rob had all the odds stacked against him. Kicked out of his foster family's home within weeks after turning eighteen—with a year left of high school to go—he had to resort to sleeping in his car and in public bathrooms. He suffered from drug addiction and battled with depression, never knowing when his next meal would be or where he would sleep at night. But by true perseverance, he was able to find his own path and achieve his wildest dreams. "A heartwarming, hopeful memoir brimming with humanitarianism and compassion" (Kirkus Reviews), Rob's story provides a glimpse into what it's like to grow up in the foster care system, and sheds necessary light on the children who are often treated without dignity. Both a timely call to action and a courageous and candid account of life in the foster care system, A Forever Family ultimately leaves you with one message: one person can make a difference.

A young girl recounts how she came to be part of an adoptive family.
