and experience. When you train your eye to see God's work, you will find the Savior everywhere you look.

Unexpected Places is the personal story of gospel singer Anthony Evans, son of

Access Free Finding God In Unexpected Places

well-known pastor Tony Evans and brother of author Priscilla Shirer. In this intimate and moving memoir, Anthony shares the details of his struggles with depression and doubt, and encourages readers with the

Access Free Finding God In Unexpected Places

unique story of his search for purpose and identity. From growing up duty-bound to his name, to his time as a finalist and then talent producer on The Voice, Anthony explores the pressures he experienced as

Access Free Finding God In Unexpected Places

a child and as a young man in Hollywood. He describes the journey to his renewed faith in God and exposes the vast differences between what the world teaches us to value and how God values us. Anthony examines what his

Access Free Finding God In Unexpected Places

parents did right in raising him but also describes how they unknowingly missed his pain. Finally, he reveals how God orchestrated His plan to grow Anthony into a man who is in love with his life, his heritage, and his

Access Free Finding God In Unexpected Places

individual calling. Anthony has learned to embrace the incredible beauty of his unique voice. In *Unexpected Places*, he invites readers on their own journey to do the same.

Access Free Finding God In Unexpected Places

“Rabbi Riemer offers us the kind of wisdom that we need in order to survive and thrive,” writes Dr. Bernie Siegel, best-selling author of a dozen books about spirituality and healing. The late Nobel laureate Elie

Access Free Finding God In Unexpected Places

Wiesel adds, “Jack Riemer’s words are songs of hope and faith. Listen to them as I do.” Widely sought after as a master storyteller and teacher, Riemer is one of the most frequently quoted rabbis in the U.S. That’s

Access Free Finding God In Unexpected Places

because of the winding paths he takes in describing the relevance of timeless Jewish wisdom in our modern world. What do a professional baseball player, Elizabeth Taylor's jewelry box, a hurricane, a garbage dump

Access Free Finding God In Unexpected Places

and a blue blazer hanging in your closet have to do with each other? They're all turning points in Riemer's stories that lead us toward universal questions we all confront at some point in life, including: Is there a

Access Free Finding God In Unexpected Places

dream that gives meaning to your life? What are our duties to the people we love? How do you make a decision when you're caught between two conflicting values? And, what would you do if you found out that

Access Free Finding God In Unexpected Places

your time on this earth was almost up? Reflecting on Riemer's wisdom about life, retired U.S. Supreme Court Justice Sandra Day O'Connor writes that the rabbi "is obviously a person with much understanding of the human

Access Free Finding God In Unexpected Places

situation.” Word of warning: The stories in this book may surprise you and perhaps make you chuckle, but they could change your life, as well.

A spiritual travel memoir

Page 66/92

Access Free Finding God In Unexpected Places

showing how the life of God can be found in the most unlikely places. From slum priests quietly bringing hope in the favelas of Brazil to the impact of a child's death on a whole community, Laurence Freeman

Access Free Finding God In Unexpected Places

movingly reveals how the sacred strains to find expression in every life, every place, every day.

Here is a book about adventure, raw experience, and facing inner demons.

Page 68/92

Access Free Finding God In Unexpected Places

Niles Elliot Goldstein is a young rabbi who sets out to find God in tough and often scary situations:

dogsledding above the Arctic Circle, taking the Silk Road into Central Asia without a visa, being chased by a

Access Free Finding God In Unexpected Places

grizzly bear, cruising with DEA agents through the South Bronx, and spending a night in jail in New York City's Tombs. He explores the connections between struggle and growth, fear and transcendence, and

Access Free Finding God In Unexpected Places

uncertainty and faith,
seeking the boundary where
the finite meets the
Infinite. Goldstein is not
alone in making this kind of
pilgrimage. There has always
been a strong tradition of
seekers who looked for

Access Free Finding God In Unexpected Places

revelation outside conventional religious settings and encountered God in moments of anguish, terror, and pain. Goldstein juxtaposes his own experiences with those of some of the great historical

Access Free Finding God In Unexpected Places

figures of Judaism and Christianity—Jonah and St. John of the Cross, Moses Maimonides and Julian of Norwich, Nachman of Bratslav and Martin Luther—as well as lesser known mystics and preachers, and he discovers,

Access Free Finding God In Unexpected Places

as they did, that it can sometimes take a journey to the edge to recognize God's presence in our lives.

Christians are supposed to be “the light of the world.” Yet we seem to spend most of

Access Free Finding God In Unexpected Places

our time stumbling in the dark. We want answers carved in stone, and instead we get uncertainty. We want a clearly marked path and a panoramic view of the future, and God gives us only fleeting glimpses of

Access Free Finding God In Unexpected Places

what lies ahead—and just enough light to take the next step. So what do we do? We take the next step. In her much anticipated follow-up to *Looking for God*, Nancy Ortberg takes readers on a journey that began thousands

Access Free Finding God In Unexpected Places

of years ago. From an ancient cave in Turkey to the California coast, Nancy highlights the often unexpected, sometimes imperceptible, yet always extraordinary means God uses to light our way through

Access Free Finding God In Unexpected Places

even the most painful and challenging moments in life.

People look for God's presence in many places. They gather in the basilicas

Access Free Finding God In Unexpected Places

of Rome or at the red rocks in Sedona. I find God's presence quite nearby—in the magnificent complexity of the human person. —Dominic Grassi We bump into God's grace every day in all kinds of humorous, serious,

Access Free Finding God In Unexpected Places

mysterious, random, and sometimes completely unlikely ways. This charming collection of thirty-five stories reveals one person's myriad encounters with God in both the mundane and extraordinary moments that

Access Free Finding God In Unexpected Places

make up our days. This is not a book about ideologies, but about people. . . .

There are miracles and ordinary moments to celebrate, grace and joy to share, silly folk and saints to relish. —Dominic Grassi A

Access Free Finding God In Unexpected Places

natrual storyteller, Dominic Grassi invites readers to share his warm memories of life in Chicago over the past five decades. He shows how God is reflected in the people we meet every day: a butcher, a bookstore owner,

Access Free Finding God In Unexpected Places

a short-order cook. With rich and often funny descriptions of human triumphs and struggles, laughter and tears, youthful pranks and quiet maturity, Grassi uncovers grace in the most unexpected places.

Access Free Finding God In Unexpected Places

Stories such as Wisdom Teeth and Window Washers and Thumping Watermelons help us see not only moments of grace in Grassi's life but also times when we too have unexpectedly bumped into God.

Access Free Finding God In Unexpected Places

What if that person you've been trying to avoid is your best shot at grace today?

...And what if that's the point? In *Accidental Saints*, New York Times best-selling author Nadia Bolz-Weber

Access Free Finding God In Unexpected Places

invites readers into a surprising encounter with what she calls “a religious but not-so-spiritual life.” Tattooed, angry and profane, this former standup comic turned pastor stubbornly, sometimes hilariously,

Access Free Finding God In Unexpected Places

resists the God she feels called to serve. But God keeps showing up in the least likely of people—a church-loving agnostic, a drag queen, a felonious Bishop and a gun-toting member of the NRA. As she

Access Free Finding God In Unexpected Places

lives and worships alongside these “accidental saints,” Nadia is swept into first-hand encounters with grace—a gift that feels to her less like being wrapped in a warm blanket and more like being hit with a blunt instrument.

Access Free Finding God In Unexpected Places

But by this grace, people are transformed in ways they couldn't have been on their own. In a time when many have rightly become disillusioned with Christianity, Accidental Saints demonstrates what

Access Free Finding God In Unexpected Places

happens when ordinary people share bread and wine, struggle with scripture together, and tell each other the truth about their real lives. This unforgettable account of their faltering steps toward

Access Free Finding God In Unexpected Places

wholeness will ring true for believer and skeptic alike. Told in Nadia's trademark confessional style, *Accidental Saints* is the stunning next work from one of today's most important religious voices.
