A New York Times Notable Book | Lambda Literary Award Winner | Long-listed for the PEN Open Book Award
"Charles Blow is the James Baldwin of our age." – Washington Blade "[An] exquisite memoir . . .
Delicately wrought and arresting." – New York Times Universally praised on its publication, *Fire Shut
Up in My Bones* is a pioneering journalist's indelible coming-of-age tale. Charles M. Blow's mother was
a fiercely driven woman with five sons, brass knuckles in her glove box, and a job plucking poultry at
a factory near their segregated Louisiana town, where slavery's legacy felt close. When her
philandering husband finally pushed her over the edge, she fired a pistol at his fleeing back, missing
every shot, thanks to "love that blurred her vision and bent the barrel." Charles was the baby of the
family, fiercely attached to his "do-right" mother. Until one day that divided his life into Before and
After—the day an older cousin took advantage of the young boy. The story of how Charles escaped that
world to become one of America's most innovative and respected public figures is a stirring, redemptive
journey that works its way into the deepest chambers of the heart. "Stunning . . . Blow's words grab
hold of you . . . [and] lead you to a place of healing." – Essence "The memoir of the year." – A. V.

Roy Key has a B.A. and M.A. from Pepperdine University, did graduate study at Lutheran and Union
Theological Seminaries, received a M.Div, from Drake Divinity School, and a D.Min. from McCormick
Theological Seminary. He taught at Dasher Bible School and Simpson College, and for 20 years served as
Minister of the Church of Christ in California, Alaska, Georgia and New York. His final 20-year
Ministry was in Ames, Iowa, as Senior Minister of First Christian Church, serving on Local, Regional
and National levels of the Christian Church (Disciples of Christ). Roy Key says of *Fire in My Bones-
Sword in My Soul*: "This I had to write. To make one more attempt to reach back across the gulf to
family and friends who could not understand why I am gone. To let 'Disciples' know who this sojourner
is among them, why he came, the road he traveled, the dream that lures him still, and the pain that

will not stop as long as the rift remains."

"But if I say, 'I will not mention him or speak anymore in his name,' his word is in my heart like a fire shut up in my bones. I am weary of holding it in. Indeed, I cannot." - J. 20:9 Heinrich Ewald called Jeremiah, "the most human prophet." To Douglas Humphries, he's always been Jerry, "the prophet who talked back." Unexpectedly, blessedly standing in opposition to everything he thought it took to be one of the faithful. Jeremiah's story is one of rejection and destruction, tragic and yet profoundly hopeful. A true picture of what it costs to do the hard, right thing. What it means to follow God. What it means to even know God. And it found Douglas exactly when he needed it to. Part biblical analysis, part memoir, part confessional. As much a reaction to scripture as it is an investigation of it. This book brings new insight into an old, but all too familiar story. A new way to consider an old, but dear prophet.

This essential authorized biography of Eugene Peterson offers unique insights into the experiences and spiritual convictions of the iconic American pastor and beloved translator of The Message. "In the time of a generation-wide breakdown in trust with leaders in every sphere of society, Eugene's quiet life of deep integrity and gospel purpose is a bright light against a dark backdrop."—John Mark Comer, author of The Ruthless Elimination of Hurry "This hunger for something radical—something so true that it burned in his bones—was a constant in Eugene's life. His longing for God ignited a ferocity in his soul." Encounter the multifaceted life of one of the most influential and creative pastors of the past half century with unforgettable stories of Eugene's lifelong devotion to his craft and love of language, the influences and experiences that shaped his unquenchable faith, the inspiration for his decision to translate The Message, and his success and struggles as a pastor, husband, and father. Author Winn Collier was given exclusive access to Eugene and his materials for the production of this landmark work. Drawing from his friendship and expansive view of Peterson's life, Collier offers an intimate, beautiful, and earthy look into a remarkable life. For Eugene, the gifts of life were inexhaustible: the glint of fading light over the lake, a kiss from Jan, a good joke, a bowl of butter pecan ice cream. As you enter into his story, you'll find yourself doing the same—noticing how the most ordinary things shimmer with a new and unexpected beauty.

A frustrated geologist studying global warming becomes obsessed with eating rocks after embarking on his first same-sex relationship in Europe. Back home, his young sister is a high-school girl who

suddenly starts to ooze honey through her pores, an affliction that attracts hordes of bees as well as her male classmates but ultimately turns her into a social pariah. Meanwhile, their obsessive Pentecostal mother repeatedly calls on the Holy Spirit to rid her family of demons. The siblings are reunited on a ship bound for Europe where they hope to start a new life, but are unaware that their disguised mother is also on board and plotting to win back their souls, with the help of the Virgin Mary. Told in a lush baroque prose, this intense, extravagant magic-realist novel combines elements of fairy tales, horror movies, and romances to create a comic, hallucinatory celebration of excess and sensuality. Barry Webster's first book, *The Sound of All Flesh*, won the ReLit Award for story collections.
