Why not take seriously the claim that Harry Potter's world intertwines with our own? In this timely yet otherworldly volume, more than a dozen scholars of international relations join hands to demonstrate how this well-loved artifact of popular culture reflects and shapes our own lifeworld. A wide range of historical and sociological sources shows how Harry's world contains aspects of our own. Practices such as quidditch dovetail quite clearly with 'muggle' sports, and the very British-ness of the books has, in translation into languages such as Turkish and Arabic, been transformed to reflect these unique cultures. Chapters on the political economy of the franchise as well as the scholarly problems of studying popular culture frame what is essentially a highly info-taining read.

Go behind the scenes of J. K. Rowling's magical universe of creatures and wizards in this exciting full-colour companion volume to Fantastic Beasts: The Crimes of Grindelwald. Newt, Tina, Queenie, and Jacob, the beloved heroes of Fantastic Beasts and Where to Find Them, are back! In this second adventure, they're joined by fan favourites from the Harry Potter universe, including Albus Dumbledore, Nicolas Flamel, and the villainous Gellert Grindelwald. Officially licensed by Warner Bros. Consumer Products and designed by MinaLima - the creative force behind the graphics and many of the props for the first Fantastic Beasts and Where to Find Them as well as the Harry Potter films - this authorised tie-in compendium delivers a rich and unique 'making of' experience for fans of all ages. This keepsake treasury offers an imaginative, close-up look at Newt Scamander and his colourful trove of cohorts - beasts and wizards alike - as they face off against the evil forces of Gellert Grindelwald, one of the world's most powerful dark wizards, in a story that travels from New York City to London and onto Paris. Brimming with film-making secrets, full-colour artwork, and stories from the cast and crew, this magnificent book is modelled after a special item from the movie, and features removable facsimile reproductions of props and other materials from the movie, along with some very special effects. A tribute to moviemaking magic, it is an essential for every Wizarding World fan, aspiring concept artists and designers, and cinema buffs.

This Cinematic Guide is the essential companion for fans of the Harry Potter films! This hardcover guidebook features your favorite scenes and quotes from all eight Harry Potter movies!"

After an intense trip to the hot springs with his rental girlfriend, things are complicated enough for the still hapless and deeply confused Kazuya, as he finally manages to take some space from Chizuru long enough to get his thoughts together. But a mysterious new figure enters the picture, who seems to know quite a lot about his “romantic” life...

Once upon a time there were four little Rabbits, and their names were— Flopsy, Mopsy, Cotton-tail, and Peter.

Throughout the making of the Harry Potter movies, designers and craftspeople were tasked with creating fabulous feasts, flying brooms, enchanted maps, and much more, in addition to all the magical items necessary for everyday wizarding life. Harry Potter: The Artifact Vault chronicles the work of the graphics and prop teams in creating lovingly crafted items; and the stunning inventiveness used to create a rich, filmic universe.
