This is a good, page-turner read. I enjoyed this book even though I have not read the other Camel Club books in the series. I read this book for a Book Club discussion, and I was worried I would not understand the characters since I did not have the Camel Club background. But, that was not the case.

David Baldacci is the master of this adventure genre and Hell's Corner doesn't disappoint. I am fortunate to have started with the first Camel Club book so I have followed Oliver Stone's exploits with each new release. Hell's Corner keeps up Baldacci's fast paced format with plenty of plot twists.
