i am jezebel a former jehovahs witness breaks her silence

The first aspect that drew me to “ I am Jezebel: A Jehovah ’ s Witness Breaks Her Silence ” was the title. The second was the cover which is an image of a young woman whose ability to speak is inhibited by a single piece of duct tape. In a way, you can say that this image is perfect for the saddening story that Jezebel tells.

Amazon.com: Customer reviews: I am Jezebel: A Jehovah's ...

Jezebel was the daughter of the priest-king Ethbaal, ruler of the coastal Phoenician cities (now in Lebanon) of Tyre and Sidon (Arabic: *ayd*). When Jezebel married Ahab (ruled c. 874–c. 853 bce), she persuaded him to introduce the worship of the Tyrian god Baal-Melkart, a nature god. A woman of fierce energy, she tried to destroy those who opposed her; most of the prophets of Yahweh were killed at her command.

The story of women ’ s political activism in America and their battle for voting rights has often pivoted around the 19th Amendment. But in her powerful new work of history, *Vanguard: How Black Women Broke Barriers, Won the Vote, and Insisted on Equality for All*, Professor Martha S. Jones of Johns Hopkins dramatically expands that story and centers Black women in its telling.

'I Am Women's Rights': How Sojourner Truth ... - Jezebel

In a rare critique of Michelle Obama, the feminist left online publication Jezebel is advising readers to “ go low ” during this time. It ’ s a reference to Michelle ’ s style of gaslighting voters. Her quote, “ When they go low, we go high ” was a slam against Republicans and a pious attempt to claim Democrats rise above the fray.

Jezebel to Democrats: "Now would be a great time to go low"

A fascinating portrait of the Bible's most notorious woman narrates the saga of Jezebel, the Phoenician princess married to King Ahab, and her violent conflict with the prophet Elijah, which became a symbol of the ancient battle between polytheism and Jewish monotheism, offering the story of the ultimate downfall of a powerful woman and its repercussions. Reprint.

From Jezebel.com, the popular website for women, comes a must-read encyclopedic guide to pop culture, feminism, fashion, sex, and much more. Within months of Jezebel's May 2007 appearance on the new media scene, fans of the blog began referring to themselves as "Jezzies" in comment threads and organizing reader meet-ups in cities all over the world. By 2008, the devotion of the self-appointed Jezzies reached such a fever pitch that the New York Times ran a feature story about them and parody blogs and copycat websites began popping up right and left. With contributions from the writers and creatives who give the site its distinctive tone and broad influence, The Book of Jezebel is an encyclopedia of everything important to the modern woman. Running the gamut from Abzug, Bella and Baby-sitters Club, The to Xena, Yogurt, and Zits, and filled with entertaining sidebars and arresting images, this is a must-read for the modern woman.

Faced with the difficulties of growing up and choosing a religion, a twelve-year-old girl talks over her problems with her own private God.

YOU ARE NOT ALONE. This is a true life story about a lost childhood filled with emotional and mental abuse that has left deep scars. I spent 20 years inside the Jehovah's Witness organization, where I was brainwashed to believe that I would never graduate high school because Armageddon would arrive at any minute and we would live forever in paradise. I suffered from night terrors, sleep paralysis, severe anxiety and depression, eating disorders, and alcohol abuse. When I finally began asking questions and sticking up for myself as a human being, the elders rushed to my house, pulled out their bibles, and called me JEZEBEL. This is my story...

Written "with passion and insight about the knotted history of racism within women's movements and feminist culture" (Rebecca Traister, New York Times bestselling author), this whip-smart, timely, and impassioned call for change is perfect for fans of Good and Mad and Hood Feminism. Addressing today's conversation about race, empowerment, and inclusion in America, Koa Beck, writer and former editor-in-chief of Jezebel, boldly examines the history of feminism, from the true mission of the suffragists to the rise of corporate feminism with clear-eyed scrutiny and meticulous detail. She also examines overlooked communities—including Native American, Muslim, transgender, and more—and their ongoing struggles for social change. With "intellectually smart and emotionally intelligent" (Patrisse Cullors, New York Times bestselling author and Black Lives Matter cofounder) writing, Beck meticulously documents how elitism and racial prejudice have driven the narrative of feminist discourse. Blending pop culture, primary historical research, and first-hand storytelling, she shows us how we have shut women out of the movement, and what we can do to correct our course for a new generation. Combining a scholar's understanding with hard data and razor-sharp cultural commentary, White Feminism "is a rousing blueprint for a more inclusive 'new era of feminism'" (The Boston Globe).

"Music in the Old Bones is a guide to the eternal Jezebel story. The first part of this illustrated study is a detailed analysis that explores the biblical tale from traditional and feminist points of view. Gaines then analyzes the ways authors through the centuries have treated Jezebel."--BOOK JACKET.

At first, the Watchtower Society seemed harmless to William J. Schnell, even valuable as a way to develop his faith in God and pass it on to others. This book is Schnell's fascinating account of his involvement with the cult, which effectively enticed him in the 1920s and continues to lure countless individuals today. Readers will learn, as Schnell did, that the Jehovah's Witness religion he had joined was anything but innocent. For thirty years he was enslaved by one of the most totalitarian religions of our day, and his story of finally becoming free is riveting. Readers will be alerted to the inner machinations, methods, and doctrines of the Watchtower Society, arming them to forewarn others and witness to their Jehovah's Witness friends, relatives, neighbors, and the stranger at the door. With more than 300,000 copies sold, 30 Years a Watchtower Slave is truly one of the classic testimonies of freedom from a powerful cult.

A stunning novel about mothers and daughters, about vengeance, and an aging, still beautiful woman on trial for shooting her lover. In a French courtroom, the trial of a woman is taking place. Gladys Eysenach is no longer young, but she remains striking, elegant, cold. She is accused of shooting dead her much-younger lover. As the witnesses take the stand and the case unfolds, Gladys relives fragments of her past: her childhood, her absent father, her marriage, her turbulent relationship with her daughter, her decline, and then the final irrevocable act. With the depth of insight and pitiless compassion we have come to expect from the acclaimed author of Suite Francaise, Irene Nemirovsky shows us the soul of a desperate woman obsessed with her lost youth.
