The first passenger processed through Ellis Island, 17-year-old Irish immigrant Annie Moore, originally hailed from County Cork. She arrived in America with her two brothers, Anthony and Philip.

The remarkable impact of Irish-American culture on the USA

Irish immigration to America after 1846 was predominantly Catholic. The vast majority of those that had arrived previously had been Protestants or Presbyterians and had quickly assimilated, not least because English was their first language, and most (but certainly not all) had skills and perhaps some small savings on which to start to build a new life.

New York is home to the largest percentage of Irish Americans in the country. The state boasts an Irish-American population of 13%. Nationwide, the Irish-American population averages 11.2%. New York City also has the distinction of being host to the first St. Patrick ' s Day Parade. It took place on March 17, 1762, and featured Irish soldiers in the English military.

8 Interesting Facts About the Irish American Population

Irish immigrants of this period participated in significant numbers in the American Revolution, leading one British major general to testify at the House of Commons that "half the rebel Continental Army were from Ireland." Irish Americans signed the foundational documents of the United States—the Declaration of Independence and the Constitution—and, beginning with Andrew Jackson, served as ...

Irish Americans - Wikipedia

The Irish and German immigrants both had a lasting political effect on American society. As the Irish and German were faced with little to no opportunity in America they entered local politics. Searching for mutual support in other immigrants, this society of people organized together and became a strong facet of the Democratic Party.

Irish and German Immigration into the United States ...

Although several ports of entry were available to ships leaving Ireland (and Liverpool in England), the vast majority of Irish immigrants to America arrived in New York. Ancestry has passenger lists for the port of New York from 1820 to 1891. Those dating from 1851 are easier to search and have the most information.

US immigration records: find records of your Irish ...

From 1820 to 1870, over seven and a half million immigrants came to the United States — more than the entire population of the country in 1810. Nearly all of them came from northern and western Europe — about a third from Ireland and almost a third from Germany.

Irish and German Immigration [ushistory.org]

Americans stereotyped the Irish as lazy, unintelligent, carefree criminals and alcoholics. Daniels points out that the term " paddy wagon " comes from the derogatory " paddy, " a nickname for " Patrick " widely used to describe Irish men. Given this, the term " paddy wagon " basically equates being Irish to criminality.

How Irish Immigrants Overcame Discrimination in America

The Irish immigrants left a rural lifestyle in a nation lacking modern industry. Many immigrants found themselves unprepared for the industrialized, urban centers in the United States.

Adaptation and Assimilation | Irish | Immigration and ...

Scotch-Irish (or Scots-Irish) Americans are American descendants of Ulster Protestants who immigrated from northern Ireland to America during the 18th and 19th centuries, whose ancestors had originally migrated mainly from the Scottish Lowlands and northern England (and sometimes from the Anglo-Scottish border). In the 2017 American Community Survey, 5.39 million (1.7% of the population ...

Scotch-Irish Americans - Wikipedia

An estimated population of 50,000 undocumented Irish immigrants currently live illegally in the United States. "It is easier being illegal here when you're white," an undocumented Irish immigrant named Shauna recently told CNN, underscoring how racial perception has changed. "It's not easy, of course, you have that paranoia, but there isn't the racial element.

When Irish Immigrants Weren't Considered 'White' ...

It records Irish, English, Scottish, and Welsh immigrants arriving at the main US ports. For the port of New York, the database covers the years between 1846 and 1890. For Boston, Baltimore, New Orleans, and Philadelphia the database covers only the famine years between 1846 and 1851.
