This 2008 Jaguar XJ Vanden Plas was sold new at Jaguar Land Rover Volvo of Monterey, California and remained registered in the state with its original owner before being recently acquired by the selling dealer. Finished in silver over black, the car now shows just 7k miles and is powered by a 4.2L V8 paired to a six-speed automatic transmission. Features include a factory-equipped Alpine audio system with navigation, heated and cooled front seats, a heated steering wheel, and wood-veneered ...

The Vanden Plas name was also dropped at the time in the UK market, due to Jaguar being split from British Leyland and privatised; the name was used on top-of-the-range Rover-branded cars. Daimler models became the Daimler 4.2 and Double Six and were the most luxurious XJ Series III models, being fully optioned with Vanden Plas spec interiors.

The Jaguar XJ (XJ40) is a full-size luxury sedan manufactured by Jaguar Cars between 1986 and 1994. It was officially unveiled on 8 October 1986 as an all-new, second generation of the XJ to replace the Series III, although the two model ranges were sold concurrently until the Series III was discontinued in 1992.

This unique book will help you work through the long list of XJ variants to choose the one that best suits your budget and intended use. Full of practical first-hand tips and pictures to guide even a novice through all the stages of becoming a Jaguar or Daimler saloon owner. Packed with 100 new detail pictures, and with a unique points system to assess the condition of potential purchases, this book is a must for any potential XJ6 owner.

Consumer guides & advice.

James Taylor remembers very well the disappointment among his petrol-head friends when the XJ-S was announced in 1975. It was not a replacement for the legendary E-type; its colours were uninspired; and its interior was drab. All credit, then, to those people at Jaguar who truly believed in the car and, over a period of nearly 20 years, turned the ugly duckling into a swan. From the moment the XJ-S HE arrived in 1981, there seemed to be renewed hope, and from then on, the car went from strength to strength to become the much-admired grand tourer it always should have been. The book contains a timeline of the key events in the history of the XJ-S and an overview of the evolution of the XJ-S from the XJ27 prototype. Packed with details it gives UK showroom prices through the year and sales in the US by year. Of great interest to all motoring and Jaguar enthusiasts, it is superbly illustrated with 192 colour and black & white photos. James Taylor has been writing professionally about road transport since the late 1970s, his primary interest is in those models that made the British motor industry great.

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Orange Coast Magazine is the oldest continuously published lifestyle magazine in the region, bringing together Orange County¹s most affluent coastal communities through smart, fun, and timely editorial content, as well as compelling photographs and design.
