Spanish: An Essential Grammar is a concise and user-friendly reference guide to the most important aspects of Spanish. It presents a fresh and accessible description of the language that combines traditional and function-based grammar. The book sets out the complexities of Spanish in short, readable sections, and explanations are clear and free from jargon. The Grammar is the ideal reference source for the learner and user of Spanish. It is suitable for either independent study or for students in schools, colleges, universities and adult classes of all types. Features include: * clear distinctions between the essential and basic aspects of Spanish grammar and those that are more complex * full use of authentic examples * easy to understand explanations of areas that customarily pose problems for English speakers * detailed contents list and index for easy access to information.

Thoroughly revised and updated, this new edition contains 185 varied exercises to provide students with extra practice of the grammar studied in the third edition of Essential Grammar in Use. This edition, with answers, is ideal for self-study.

Contains all the audio tracks for use with the Students' Book.
