A phoneme is the sound associated with each letter of the alphabet.

Some letters have more than one sound. For example, the letter C can sometimes sound

Online Library

Letter Sound

like an S, as the C in lace. Or the letter C can sometimes sound like a K, as the C in cat.

Children who know about the connection between a letter and its phoneme have an easier time learning to read.

QCES AimsWeb Letter
Sound Fluency Test

Online Library

Letter Sound

Fluency Word Sounds

Fluency assesses a student's ability to make letter sounds, make the sounds of two-letter combinations, and read aloud consonant-vowel-consonant (CVC) words. This task is similar to the general developmental progression from letter-sound correspondence to oral word reading.

Online Library

Letter Sound

Performance is reported
on the raw number
correct score.
