Designed for introduction to art courses, this text covers art history and looks at art from the oldest cultures and from around the world.

Art is part of our lives, from the monuments in our communities, to the fashions we wear and the media images we take in, to the exhibits on display in museums and galleries. It permeates our daily life. But why do we study art? How do we talk about Art? Living with Art helps students see art in everyday life by fostering a greater understanding and appreciation of art. Taking a step further, Getlein equips students with the tools necessary to analyze, digest, and uphold a life-long enthusiasm for art.

Artists Living with Art invites readers into the homes and personal art collections of some of the world's most renowned contemporary artists, including Cindy Sherman, Helen and Brice Marden, Chuck Close, Rachel Feinstein and John Currin, Glenn Ligon, and Pat Steir. Here readers will find beautifully renovated lofts in SoHo, 19th-century Brooklyn brownstones, and a restored farmhouse in the Hudson River Valley, all filled with cherished artworks as well as objects, textiles, and ceramics set on display in artful and creative ways. Photographed by Oberto Gili, these gorgeous interiors will inspire readers to rethink the display of their own art and treasured possessions, whether it's a perfectly placed painting or rocks found on a beach.

This two-part volume describes how to install art in the home considering lighting, framing, and matters of decor, while a second section shows how famous collectors have displayed works in their own homes
