important? ISBN. This barcode number lets you verify that you're getting exactly the right version or edition of a book. The 13-digit and 10-digit formats both work.

Mechanism Design: Analysis and Synthesis volume 1 (v. 1)

Abstract. In this chapter the focus will be on synthesis of mechanisms. Part of the material is based on the papers (Hansen, 2002, 2000; Jensen and Hansen, 2005) from which some of the figures are taken. In the chapter some methods are described that are not commonly used within the area, and to understand
