Practical Workbook provides everything students, especially those revising for external exams for the first time, need to grow their confidence and help them achieve the best grades they can in their Practical Test or Alternative to Practical paper.

Biology: International Edition not only covers the IGCSE syllabus requirements, it also closely matches content for the O Level CIE syllabus. Written by a senior examiner, it aids students and teachers alike in their preparation for exams. The language is kept simple to increase accessibility for students for whom English is a second language. The high-quality colour illustrations appeal to all students.
