The essential reference guide to writing effective business correspondence and- now revised and updated.

The book contains lots of models of letters, e-mails, faxes and memos. Units teach how to initiate new correspondence and how to respond. Lots of tips about common business expressions and practices. Controlled practice in the in grammar, vocabulary and mechanics of everyday business writing.

Swahili Grammar and Workbook provides a practical and comprehensive companion to Swahili grammar, filling in gaps left by other textbooks. Presenting the essentials of Swahili grammar in a highly accessible fashion, it reduces complex language topics to helpful rules and mnemonic aids, enabling maximum grammar retention and accurate usage. Grammar points are followed by multiple examples and exercises, allowing students to consolidate and practice their learning. No prior knowledge of linguistic terminology is required. Key features include: Twenty five language notes covering key topics such as: personal pronouns; the Swahili noun class system; special class combinations; the imperative, the subjunctive, and the conditional moods; the use of comparatives; the use of monosyllabic verbs; the passive form and various other forms of verb extensions; the relative clause Clear, detailed and jargon-free grammatical explanations supported by an assortment of helpful diagrams, charts and tables and many relevant and up-to-date examples A wide range of communication-oriented exercises to reinforce learning and develop students' ability to use Swahili actively Audio files to support pronunciation practice, clearly linked to relevant sections of the book and available for free download at <http://www.routledge.com/books/details/9781138808263/> Four appendices, Swahili-English and English-Swahili vocabulary lists, a bibliography and an index presented at the back of the book for easy access to information. Written by a highly experienced instructor, Swahili Grammar and Workbook will be an essential resource for all students and teachers of Swahili. It is suitable for use both as a companion reference text in language courses and as a standalone text in independent grammar classes.

Community music as a field of practice, pedagogy, and research has come of age. The past decade has witnessed an exponential growth in practices, courses, programs, and research in communities and classrooms, and within the organizations dedicated to the subject. The Oxford Handbook of Community Music gives an authoritative and comprehensive review of what has been achieved in the field to date and what might be expected in the future. This Handbook addresses community music through five focused lenses: contexts, transformations, politics, intersections, and education. It not only captures the vibrant, dynamic, and divergent approaches that now characterize the field, but also charts the new and emerging contexts, practices, pedagogies, and research approaches that will define it in the coming decades. The contributors to this Handbook outline community music's common values that center on social justice, human rights, cultural democracy, participation, and hospitality from a range of different cultural contexts and perspectives. As such, The Oxford Handbook of Community Music provides a snapshot of what has become a truly global phenomenon.

The course focuses on the key language and communication skills needed in the workplace, with the emphasis on commercial correspondence and telephoning practice. The approach is skills-based, with the emphasis in the Student's Book on listening and speaking. The Workbook has greater emphasis on reading and writing tasks. The grammar syllabus is practical and thorough. Language points are clarified in grammar boxes within the units, which are linked to more detailed language presentation in a Grammar Reference section at the back of the Student's Book. A lively storyline about four young people who go

into business together reflects students' experiences as they learn about the commercial world. The consistent unit structure, clear layout and signposting makes the course easy to use. Each of the 13 units follows the same format: integrated reading and listening activities; practice in reading and producing commercial correspondence; and activities to develop telephoning skills. Authentic material supports reading and speaking activities.

Developing Writing Skills in Spanish provides intermediate and advanced level students with the necessary skills to become competent and confident writers in the Spanish language. With a focus on writing as a craft, Developing Writing Skills in Spanish offers a rich selection of original materials including narrative texts, expository essays, opinion pieces and newspaper articles. Each chapter covers a specific kind of writing and is designed to help tackle the material in small units. The book aids students in crafting clear, coherent and cohesive manuscripts by means of guided practice and step-by-step activities. Key features: Guidance on how to structure a variety of texts: narrative, descriptive, expository, argumentative, academic, journalistic, legal and scientific. Sequenced exercises on style, writing conventions, word choice, syntax and grammar. Reference lists and tables with specialized vocabulary, transition words and other useful expressions. Strategies and tips for planning manuscripts, brainstorming ideas, vocabulary enrichment, editing and proofreading. Includes original samples, as well as fragments from newspapers, well-known literary works and essays by notable Hispanic authors and journalists. Website with additional activities to reinforce the content of each chapter and a teacher's guide with valuable support materials at: www.developingwritingskills.com Designed as a classroom text, self-study material or simply as a resource on writing, Developing Writing Skills in Spanish is the ideal supplement for all intermediate to advanced students of Spanish.

With his insightful and wide-ranging theory of recognition, Axel Honneth has decisively reshaped the Frankfurt School tradition of critical social theory. Combining insights from philosophy, sociology, psychology, history, political economy, and cultural critique, Honneth's work proposes nothing less than an account of the moral infrastructure of human sociality and its relation to the perils and promise of contemporary social life. This book provides an accessible overview of Honneth's main contributions across a variety of fields, assessing the strengths and weaknesses of his thought. Christopher Zurn clearly explains Honneth's multi-faceted theory of recognition and its relation to diverse topics: individual identity, morality, activist movements, progress, social pathologies, capitalism, justice, freedom, and critique. In so doing, he places Honneth's theory in a broad intellectual context, encompassing classic social theorists such as Kant, Hegel, Marx, Freud, Dewey, Adorno and Habermas, as well as contemporary trends in social theory and political philosophy. Treating the full range of Honneth's corpus, including his major new work on social freedom and democratic ethical life, this book is the most up-to-date guide available. Axel Honneth will be invaluable to students and scholars working across the humanities and social sciences, as well as anyone seeking a clear guide to the work of one of the most influential theorists writing today.

This completely revised International Express, with 100% new material, meets all the practical language needs of adult professional learners. The series retains the popular student-centred approach and strong communicative focus, while adding a range of new features. The Student's Book and Workbook are now combined, and every unit is supported by stunning new video footage, bringing the outside world into the classroom.
