Peasant Economics : Frank  
Ellis : 9780521457118

Frank Ellis has a background in agricultural economics and rural development.

Earlier in his career he wrote two of the established texts in this area Peasant Economics (1988; 1993) and Agricultural Policies in Developing Countries (1992).

Since 1999, he has had a special interest in the livelihoods approach to poverty reduction in low income countries with its emphasis on the assets of rural households, the activities in which they engage and the outcomes they achieve, set within risk and
