Prisoner of Second Avenue tells the tale of a man coming totally unglued under the pressures of the modern world. Jack Lemmon plays a modern Job, suffering every trial a sadistic - but very up-to-date - God could imagine. Neil Simon brilliantly weaves in a gleam of underlying humor, which Lemmon brings out with his usual skill.

(Applause Books) *A clear and well-written portrait of a superb performer and a wonderful human being, with emphasis on the word 'human.' - The New York Times Book Review He was one of the most beloved stars of television's golden age. Together with his legendary partner Jackie Gleason, Art Carney helped create some of the most dazzling and unforgettable comedy ever presented on the small screen. Carney was an agile, rubber-limbed dancer and comedian whose sweetness and unassuming nature concealed the passion and power of a brilliant, often underappreciated, actor. The partnership formed by Carney and Gleason, as Brooklyn bus driver Ralph Kramden and his dim-witted pal, sewer worker Norton, remains to this day the most powerful and memorable comedic union ever conceived for television. How this song-and-dance man and show business recluse began his career, as well as the detours, lucky breaks, triumphs and heartbreaks Carney encountered along the way, is the subject of this fascinating, in-depth biography by author and New York Post editor Michael Seth Starr. ART CARNEY tells the story of a complex man and an enduring television legend who gave the world the most extraordinary gift of all: the gift of laughter.

From 1918's Tickless Time through Waiting for Lefty, Death of a Salesman, A Streetcar Named Desire, A Raisin in the Sun, and The Prisoner of Second Avenue to 2005's The Clean House, domestic labor has figured largely on American stages. No dramatic genre has done more than the one often dismissively dubbed "kitchen sink realism" to both support and contest the idea that the home is naturally women's sphere. But there is more to the genre than even its supporters suggest. In analyzing kitchen sink realism, Dorothy Chansky reveals the ways that food preparation, domestic labor, dining, serving, entertaining, and cleanup saturate the lives of dramatic characters and situations even when they do not take center stage. Offering resistant readings that rely on close attention to the particular cultural and semiotic environments in which plays and their audiences operated, she sheds compelling light on the changing debates about women's roles and the importance of their household labor across lines of class and race in the twentieth century. The story begins just after World War I, as more households were electrified and fewer middle-class housewives could afford to hire maids. In the 1920s, popular mainstream plays staged the plight of women seeking escape from the daily grind; African American playwrights, meanwhile, argued that housework was the least of women's worries. Plays of the 1930s recognized housework as work to a greater degree than ever before, while during the war years domestic labor was predictably recruited to the war effort--sometimes with gender-bending results. In the famously quiescent and anxious 1950s, critiques of domestic normalcy became common, and African American maids gained a complexity previously reserved for white leading ladies. These critiques proliferated with the re-emergence of feminism as a political movement from the 1960s on. After the turn of the century, the problems and comforts of domestic labor in black and white took center stage. In highlighting these shifts, Chansky brings the real home.

A comedy - straight from Broadway.

Full Length. Comic Drama / 3m, 4f / Comb. Ints/Ext. Here is part one of Neil Simon's autobiographical trilogy: a portrait of the writer as a young teen in 1937 living with his family in a crowded, lower middle-class Brooklyn walk-up. Eugene Jerome, standing in for the author, is the narrator and central character. Dreaming of baseball and girls, Eugene must cope with the mundane existence of his family life in Brooklyn: formidable mother, overworked father, and his worldly older brother Stanley. Throw into the mix his widowed Aunt Blanche, her two young (but rapidly aging) daughters and Grandpa the Socialist and you have a recipe for hilarity, served up Simon-style. This bittersweet memoir evocatively captures the life of a struggling Jewish household where, as his father states "if you didn't have a problem, you wouldn't be living here." "Brings a fresh glow to Broadway...In many respects his funniest, richest and consequently the most affecting of his plays."-New York Daily News *Simultaneously poignant and funny. The characters are fully dimensional, believable... An outstanding show...the best seen on Broadway in too long a time."-Variety *Hilarious comedy...His finest play...A delightful and enriching experience."-CBS-TV

New edition of Modern American Drama completes the survey and comes up to 2000.

(Applause Books) Curtain Times is a uniquely comprehensive, uniquely detailed and uniquely contemporaneous history of the New York theater in the seasons from 1964-65 up to 1987. This is a collection of more than two decades of annual critical surveys (originally published in the Best Plays series of yearbooks) in a single volume. Each of these surveys is a report and criticism of a whole New York theater season: its hits and misses onstage and off, its esthetic innards. Each is a comprehensive overview which takes in every play, musical, specialty and revival, foreign and domestic, produced on and off Broadway during the theater season. Hardcover.

Cast size: medium.

An updated edition of the film reference provides almost 1,500 entries on leading international actors and actresses, directors, and producers, along with critical essays, profiles, and film analyses.
