Monster High Series by Lisi Harrison - Goodreads

The books are always gorgeous with interesting plays on fractured fairy tales. So, of course, I was beyond thrilled to see a mashup of Every After High and Monster High. While I haven't read any of the Monster High books yet (on the TBR list, I promise), I do enjoy the movies.To start out, I actually wasn't a huge fan of this.

From Lisi Harrison, the New York Times bestselling author of The Clique and Alphas, comes a new series with a fresh twist on high school, romance, and the "horrors" of trying to fit in. The monster community has kept a low profile at the local high school, but when two new girls enroll, the town will never be the same. Created just fifteen days ago, Frankie Stein is psyched to trade her father's formaldehyde-smelling basement lab for parties and prom. But with a student body totally freaked out by rumors of monsters stalking the halls, Frankie learns that high school can be rough for a chic freak like her. She thinks she finds a friend in fellow new student Melody Carver-but can a "normie" be trusted with her big secret?

Ghoulfriends Forever is a brand-new Monster High series, introducing three new monster characters. As new students, the trio must navigate the bewildering array of cute monster boys, established cliques, and monster-rific subjects like Mad Science, G-ogre-phy, and Physical Deaducation. As if that weren't hard enough, something strange and sinister seems to be happening at the school. Popular girls like Frankie Stein and Cleo de Nile are acting weird-and all signs point to everyone's new favorite teacher, Miss Sylphia Flapper. Can the new GFFs expose the fave as a fraud, or will they succumb to peer pressure?

Cleo De Nile is so excited to visit Boo York that she's practically bursting out of her bandages! She's bringing her sweetie, Deuce Gorgon, and her beast ghoulfriends, plus a new fiend, pop sensation Catty Noir. The ghouls expect to have the times of their unives partying at a gala celebrating an ancient Egyptian artifact, the comet crystal. Cleo doesn't know it, but her sister Nefera, is planning to trick her into making a scared promise under the light of the comet when it passes over Boo York - a promise that will change her destiny forever! And no one knows that the comet is on a collision course with the Boo World, hurtling directly toward Boo York! It's a fangtastic, claw-biting adventure that no one will ever forget...as long as they survive the night of the comet! © 2015 Mattel. All Rights Reserved.

Clawdeen Wolf, Frankie Stein, and Melody Carver struggle to deal with the fallout when "The Ghoul Next Door" video goes viral, all while trying to deal with the complexities of high school parties and dating.

Welcome to Monster High where the children of the world's most famous monsters brave the horrors of high school! Join Spectra Vondergeist, Clawdeen Wolf, Draculaura and all their new spooky ghoulfriends on a haunting new adventure! The next book in a series of junior novels from the freaky-fabulous world of Monster High! Includes an eight-page photo insert!

Travel to new places in the world of Monster High with this fun activity book! Some of your favorite Monster High characters are doing an exchange program in new cities--and new students are coming to Monster High! Learn about other monster cultures with fun crafts and activities in this full-color book. Includes stickers and punch-outs!

Tensions are running high as Melody teams up with Frankie in a race against time to try and stop Bekka from spilling Jackson's big secret. But Frankie has bigger plans in mind - she and Brett decide to film a documentary to further the RADs cause . . . but Bekka isn't about to let some monster steal her man! Meanwhile, Cleo freaks when her friends bolt on her Teen Vogue photo shoot to be in Frankie's documentary, and she starts giving Melody the evil eye - just what is that royal pain up to? Will Cleo stop at nothing to remain queen bee, even if it means teaming up with Bekka - a normie?!

The RADs are free and Draculaura (Lala) is flashing her fangs with pride. But when Daddy Drac pays her a surprise visit everything goes batty. Mr D. thinks RADs should have their own school, but Lala isn't ready to give up the rights they fought so hard for. So when she hears about a glamorous contest, where the winning school gets mad moolah and a chance to star in a national ad campaign, Lala decides it's time to bite. It's father against daughter in a battle for Salem's student body. Despite the many challenges, Lala is determined to save Merston High. But she might die twice trying.

A dangerous story is bubbling and almost all the Narrators are scared to tell it. Cracks in the World of Stories are spreading, and the ominous Shadow High is gaining power. Only one young, brave Narrator, Brooke Page, is ready to tell this tale. As the first cracks show, Frankie and Draculaura are accidentally transported to Ever After High, where they meet Raven Queen and Apple White. After the girls recover from the shock of learning that fairytales and monsters are real, they discover that the Evil Queen has escaped her mirror prison in search of the ultimate power, hidden in Shadow High. Frankie, Raven, Draculaura, Apple, and Brooke must stop the Evil Queen and save the World of Stories from the evil that lurks in Shadow High! ©2017 Mattel. All Rights Reserved.
