About Pinky lists all the perfect ingredients of a YA contemporary and mixes everything to create a story of unexpected love, familial tension, voicing concerns, and summer days. It justifies as the third and last instalment of Dimpleverse by materialising the perfect boyfriend who not only proves to be a catch for the girl but also a gem for the parents; and by making the girl a fierce, adamant, and slightly flawed teen.

Ten Things I Hate About You is one of my favourite films and a truly great reimagining of a classic play. It takes Shakespeare's Taming of the Shrew and strips out the misogyny, the violence, and the straight up gaslighting and abuse, while keeping the banter and the chemistry between Kate and Petrucchio. Ten Things I Hate About the Duke takes Shrew in one hand and Ten Things in the

longer..." Jamie just wants to fit in. She doesn't want to be seen as a stereotypical Muslim girl, so she does everything possible to hide that part of herself. Even if it means pushing her friends away because she's afraid to let them know her dad forbids her from hanging out with boys or that she secretly loves to play the darabuka (Arabic drums).

The delightful follow-up to *When Dimple Met Rishi* and *There's Something About Sweetie*, which follows Ashish's friends Pinky and Samir as they pretend to date in order to achieve their individual goals, to disastrous and hilarious results. Pinky Kumar wears the social justice warrior badge with pride. From raccoon hospitals to

persecuted rock stars, no cause is too esoteric for her to champion. But a teeny tiny part of her also really enjoys making her conservative, buttoned-up corporate lawyer parents cringe. Samir Jha might have a few...quirks remaining from the time he had to take care of his sick mother, like the endless lists he makes in his planner and the way he schedules every minute of every day, but those are good things. They make life predictable and steady. Pinky loves lazy summers at her parents' Cape Cod lake house, but after listening to them harangue her about the poor decisions she's made (a.k.a. boyfriends she's had), she hatches a plan. Get her sorta-friend-sorta-enemy—who is a

total Harvard-bound Mama's boy—to pose as her perfect boyfriend for the summer. When Samir's internship falls through, leaving him with an unplanned summer, he gets a text from Pinky asking if he'll be her fake boyfriend in exchange for a new internship. He jumps at the opportunity; Pinky's a weirdo, but he can survive a summer with her if there's light at the end of the tunnel. As they bicker their way through lighthouses and butterfly habitats, sparks fly, and they both realize this will be a summer they'll never forget.

Told she can't date until her older sister starts, Bianca fears no one will want to take out sarcastic Kat.

The uneasy balance between these worlds is shattered when Starr witnesses the fatal shooting of her childhood best friend Khalil at the hands of a police officer. Khalil was unarmed. Soon afterward, his death is a national headline. Some are calling him a thug, maybe even a drug dealer and a

gangbanger. Protesters are taking to the streets in Khalil's name. Some cops and the local drug lord try to intimidate Starr and her family. What everyone wants to know is: what really went down that night? And the only person alive who can answer that is Starr. But what Starr does—or does not—say could upend her community. It could also endanger her life. Want more of Garden Heights? Catch Maverick and Seven's story in Concrete Rose, Angie Thomas's powerful prequel to *The Hate U Give*.
