“ In The Battle for Justice in Palestine, Ali Abunimah—the most astute commentator writing on Palestine today—bursts the leaky myths of Israeli exceptionalism while carefully examining where the battle for Palestine is currently being waged. Forget the endless “ peace process, ” which has ushered in little more than massive economic exploitation, tragic environmental degradation, and servile and destructive politics.

Ali Abunimah provides an effective strategy for advancing the struggle for a just, single-state solution in Palestine.

When President Reagan nominated Robert Bork to the Supreme Court, it was the spark that fueled a months-long firestorm during which liberals and conservatives battled fiercely over Reagan's choice, each trying to gain control of the nation's judicial future. The American public, captivated by this struggle for power, weighed in with an unprecedented outpouring of mail and telephone calls to the United States Senate arguing both pro- and con- positions. Based on scores of interviews with key figures and a shrewd analysis of

the issues, then-Boston Globe reporter Ethan Bronner chronicles this engrossing story of a titanic struggle for political power. It features key players such as Senators Joseph Biden and Edward Kennedy, with the latter leading the fight against the appointment using savvy Madison Avenue style strategies; a Justice Department desperate to hold its ground; a shocked White House staff, caught off-guard; and of course Bork himself, who insisted that "the process of confirming justices for our nations highest court has been transformed in a way that should not and indeed must not be permitted to occur again. " Featuring a new epilogue, "Where Are They Now? "

God is challenging you to enlist in the noblest of all battles-the battle for our children. This is the cry resonating throughout the earth. 1.2 billion "children at risk" cannot be ignored. This book is a compelling case for you to be a hero in the life of "children at risk," beginning with scriptural understanding of mercy and justice to the poor. Then, setting the stage historically, the authors unveil the great exploits of those awesome warriors who have gone before us, outlining their struggles to serve the masses of broken humanity. Finally, Be a Hero time warps into the third millennium, introducing the seven deadly sins uniquely facing children: extreme poverty, orphans of the streets, children in chains, sex in the city, AIDS and plagues,

the oppression of war, and religious persecution. But it doesn't leaving you hanging in despair. Be a Hero is a revolutionary document that prepares you to change your world.

Erin Brockovich meets Dark Waters in this propulsive and heart-wrenching legal drama set in Appalachian coal country, as one determined lawyer confronts a coal industry giant in a battle over clean drinking water for a West Virginia community—from Wall Street Journal reporter Kris Maher. For two decades, the water in the taps and wells of Mingo County didn't look, smell, or taste right. Could it be the root of the health problems—from kidney stones to cancer—in this

Get Free The Battle For Justice In Palestine

Ali Abunimah

Appalachian community? Environmental lawyer Kevin Thompson certainly thought so. For seven years, he waged an epic legal battle against Massey Energy, West Virginia ' s most powerful coal company, helmed by CEO Don Blankenship. While Massey ' s lawyers worked out of a gray glass office tower in Charleston known as “ the Death Star, ” Thompson set up shop in a ramshackle hotel in the fading coal town of Williamson. Working with fellow lawyers and a crew of young activists, Thompson would eventually uncover the ruthless shortcuts that put the community ' s drinking water at risk. A respected preacher and his brother, retired coal miners, and women whose families had lived in the area ' s coal camps for generations, all put

Get Free The Battle For Justice In Palestine

Ali Abunimah

their trust in Thompson when they had nowhere else to turn. As he dug deeper into the mystery of the water along a stretch of road where the violence from the legendary Hatfield-McCoy feud still echoes, he was pulled into the darkest corners of Mingo County, risking his finances, his marriage, his career, and even his safety. Bringing to life a rich cast of characters and the legacy of coal mining in an essential yet often misunderstood part of America, *Desperate* is a masterful work of investigative reporting about greed and denial, a revealing portrait of a town besieged by hardship and heartbreak, and an inspiring account of one tenacious environmental lawyer ' s mission to expose the truth and demand justice.

By the author of acclaimed books on the bitter clashes between Jefferson and Chief Justice Marshall on the shaping of the nation's constitutional future, and between Lincoln and Chief Justice Taney over slavery, secession, and the presidential war powers. Roosevelt and Chief Justice Hughes's fight over the New Deal was the most critical struggle between an American president and a chief justice in the twentieth century. The confrontation threatened the New Deal in the middle of the nation's worst depression. The activist president bombarded the Democratic Congress with a

Get Free The Battle For Justice In Palestine

Ali Abunimah

fusillade of legislative remedies that shut down insolvent banks, regulated stocks, imposed industrial codes, rationed agricultural production, and employed a quarter million young men in the Civilian Conservation Corps. But the legislation faced constitutional challenges by a conservative bloc on the Court determined to undercut the president. Chief Justice Hughes often joined the Court ' s conservatives to strike down major New Deal legislation. Frustrated, FDR proposed a Court-packing plan. His true purpose was to undermine the ability of the life-tenured Justices to thwart his popular mandate. Hughes proved more than a match for Roosevelt in the ensuing battle. In grudging admiration for Hughes, FDR said that the Chief Justice

Get Free The Battle For Justice In Palestine

Ali Abunimah

was the best politician in the country. Despite the defeat of his plan, Roosevelt never lost his confidence and, like Hughes, never ceded leadership. He outmaneuvered isolationist senators, many of whom had opposed his Court-packing plan, to expedite aid to Great Britain as the Allies hovered on the brink of defeat. He then led his country through World War II.

The "arresting, astonishing history" of one lawyer and his defendant who together achieved a "civil rights milestone" (Justin Driver). In 1966 in a small town in Louisiana, a 19-year-old black man named Gary Duncan pulled his car off the road to stop a fight. Duncan was arrested a few minutes later for the crime of putting his

Get Free The Battle For Justice In Palestine

Ali Abunimah

hand on the arm of a white child. Rather than accepting his fate, Duncan found Richard Sobol, a brilliant, 29-year-old lawyer from New York who was the only white attorney at "the most radical law firm" in New Orleans. Against them stood one of the most powerful white supremacists in the South, a man called simply "The Judge." In this powerful work of character-driven history, journalist Matthew Van Meter vividly brings alive how a seemingly minor incident brought massive, systemic change to the criminal justice system. Using first-person interviews, in-depth research and a deep knowledge of the law, Van Meter shows how Gary Duncan's insistence on seeking justice empowered generations of defendants-disproportionately poor and

black-to demand fair trials. *Duncan v. Louisiana* changed American law, but first it changed the lives of those who litigated it.

A major proponent of Palestinian liberation offers a comprehensive analysis of the current conflict with Israel—and the potential for Palestinian victory. As the longstanding tensions between Israel and Palestine continue to erupt into violence, Ali Abunimah offers astute insights into the politics behind the headlines. In *The Battle for Justice in Palestine*, Abunimah looks at the shifting tides of Palestine and the Israelis in a neoliberal world—and makes a compelling and surprising case for why the Palestine solidarity movement just

Ali Abunimah

Schaap, ESPN journalist and New York Times bestselling author In 2009, Ed O ' Bannon, once a star for the 1995 NCAA Champion UCLA Bruins and a first-round NBA draft pick, thought he ' d made peace with the NCAA ' s exploitive system of " amateurism. " College athletes generated huge profits, yet—training nearly full-time, forced to tailor coursework around sports, often pawns in corrupt investigations—they saw little from those riches other than revocable scholarships and miniscule chances of going pro. Still, that was all in O ' Bannon ' s past...until he saw the video game NCAA Basketball 09. As avatars of their college selves—their likenesses, achievements, and playing styles—O ' Bannon and his teammates were still making

Get Free The Battle For Justice In Palestine

Ali Abunimah

money for the NCAA. So, when asked to fight the system for players past, present, and future—and seeking no personal financial reward, but rather the chance to make college sports more fair—he agreed to be the face of what became a landmark class-action lawsuit. Court Justice brings readers to the front lines of a critical battle in the long fight for players' rights while also offering O' Bannon's unique perspective on today's NCAA recruiting scandals. From the basketball court to the court of law facing NCAA executives, athletic directors, and “expert” witnesses; and finally to his innovative ideas for reform, O' Bannon breaks down history's most important victory yet against the inequitable model of multi-billion-dollar “amateur”
