Joe Biden has big plans to help protect gig workers ☐ but will he be able to enact them? Last Updated: Nov. 13, 2020 at 7:51 p.m. ET First Published: Nov. 12, 2020 at 6:07 a.m. ET

The Big Gig is much more than just an intriguing and comprehensive insider's guide to breaking into the music industry as an independent musician. Compelling and thought-provoking, it is an excellent resource for leadership training, networking techniques, and personal development. The Big Gig is the first book that describes the inner workings of the highly competitive music industry as seen through the eyes of a world-renowned and highly successful musician. The Big Gig provides a template for success by covering the vocational, personal, and spiritual aspects of a musician's life. The Big Gig is much more than educational. It is inspirational, motivational, and life-changing. "Whether you aspire to tour with a rock band, play jazz in nightclubs, work in the studios, or perform with a symphony orchestra, there is information in this book that will help prepare you to make a living as a musician." - Rick Mattingly, Percussive Notes "What a fabulous resource Zoro has compiled here! . . . This is a great book that is going to help many young musicians and drummers (amongst others) achieve their dreams with integrity. Five Stars!" - DRUMscene Magazine "A great book which genuinely can help people, not just drummers."- mikedolbear.com "Bottom Line: I highly recommend this book and I only wish that I had it when I started out in the music business! Whether you are a musician who specializes in drums or any instrument, you need this book. Without it, you'll waste years of your life figuring out all of the things that Z has already neatly laid out for you."- Tigerbill.com

Twelve-year-old Lou Montgomery's life has been centered on her mother's terrifying plan to make her a singing star, but a crisis reveals Lou's sensory processing disorder and people determined to help her address it.

Management & Workplace Culture Book of the Year, 2020 Porchlight Business Book Awards A Publishers Weekly Fall 2020 Big Indie Book The dark side of the gig economy (Uber, Airbnb, etc.) and how to make it equitable for the users and workers most exploited. When the "sharing economy" launched a decade ago, proponents claimed that it would transform the experience of work--giving earners flexibility, autonomy, and a decent income. It was touted as a cure for social isolation and rampant ecological degradation. But this novel form of work soon sprouted a dark side: exploited Uber drivers, neighborhoods ruined by Airbnb, racial discrimination, and rising carbon emissions. Several of the most prominent platforms are now faced with existential crises as they prioritize growth over fairness and long-term viability. Nevertheless, the basic model--a peer-to-peer structure augmented by digital tech--holds the potential to meet its original promises. Based on nearly a decade of pioneering research, After the Gig dives into what went wrong with this contemporary reimagining of labor. The book examines multiple types of data from thirteen cases to identify the unique features and potential of sharing platforms that prior research has failed to pinpoint. Juliet B. Schor presents a compelling argument that we can engineer a reboot: through regulatory reforms and cooperative platforms owned and controlled by users, an equitable and truly shared economy is still possible.

With Tomorrow, When the War Began, John Marsden wrote the most powerful novel for teenagers ever published in this country. Now he has written the most powerful non-fiction work ever made available to young men. Where Steve Biddulph's bestselling Raising Boys talks to parents and teachers, Secret Men's Business talks to young men themselves, in the way that only John Marsden can. It sets out, in direct, honest language, the things every young man needs to know... And the things young men aren't being told. Young men who read this book will learn how to be strong, how to be honest, how to confront their fears. They'll understand how to deal with men and women, parents and teachers, male friends and female friends. They'll get a sense of the integrity that every true man needs. They'll find ways to resolve problems without being destructive or self-destructive. They'll have their questions about sex answered... In clear, straightforward language. As John Marsden says: "In one way all you have to do to become a man is to stay alive. Physically you'll grow into a man. But to become a man who is mature, independent, responsible and wise, you'll need to do more than just have birthdays."

NEW YORK TIMES BESTSELLER ☐ ☐Driving, wild and hilarious☐ (The Washington Post), here is the incredible ☐memoir☐ of the actor, gambler, raconteur, and Saturday Night Live veteran. Don't miss Norm's new Netflix special, Hitler's Dog, Gossip & Treachery! When Norm Macdonald, one of the greatest stand-up comics of all time, was approached to write a celebrity memoir, he flatly refused, calling the genre ☐one step below instruction manuals.☐ Norm then promptly took a two-year hiatus from stand-up comedy to live on a farm in northern Canada. When he emerged he had under his arm a manuscript, a genre-smashing book about comedy, tragedy, love, loss, war, and redemption. When asked if this was the celebrity memoir, Norm replied, ☐Call it anything you damn like.☐ Praise for Based on a True Story ☐Dostoyevsky by way of 30 Rockefeller Center . . . the best new book ☐I've read this year or last.☐The Wall Street Journal ☐This book is absurd fiction. . . . Scathing and funny.☐The New York Times ☐Hilarious and filled with turns of phrase and hidden beauty like only a collection of Norm Macdonald stories could be.☐Esquire ☐Raucous . . . a hilarious, innovative work.☐A.V. Club ☐Part personal history and part meta riff on celebrity memoirs, the book, it quickly becomes clear, is also just partly true (and all hilarious).☐Vulture ☐Very, very, very funny! Thanks, Norm, for letting me be part of this Booker Prize☐for☐literature☐quality effort.☐David Letterman ☐Norm is brilliant and thoughtful and there is sensitivity and creative insight in his observations and stories. A lot of comics over the years have been compared to Mark Twain, but I think Norm is the only one who actually matches the guy in terms of his voice and ability. I seriously f**king love Norm Macdonald. Please buy his book. He probably needs the cash. He's really bad with money.☐Louis C.K., from the foreword ☐Norm is one of my all-time favorites, and this book was such a great read I forgot how lonely I was for a while.☐Amy Schumer ☐I always thought Normie's stand-up was the funniest thing there was. But this book gives it a run for its money.☐Adam Sandler ☐Norm is one of the greatest stand-up comics who's ever worked☐a totally original voice. His sense of the ridiculous and his use of juxtaposition in his writing make him a comic's comic. We all love Norm.☐Roseanne Barr ☐Norm Macdonald makes me laugh my ass off. Who is funnier than Norm Macdonald? Nobody.☐Judd Apatow ☐Norm Macdonald is more than a triple threat☐he's a septuple threat. He is smart, funny, wry, rakish, polite, rakish . . . no, wait. He is polite, insightful, and . . . aaaaah . . . warm. No. He's exciting. Yeah. Exciting! You never know what he'll do. Okay, then make that unpredictable. Add that up. He's amazing.☐Alec Baldwin ☐Norm is a double threat. His material and timing are both top-notch, which is unheard of. He is one of my favorites, both on- and off-stage.☐Dave Attell ☐Letterman said it best: There is no one funnier than Norm Macdonald.☐Rob Schneider

☐An engaging, humorous, revealing, and refreshingly human look at the bizarre, life-threatening, and delightfully humdrum exploits of everyone from sports heroes to sex workers.☐ -- Douglas Rushkoff, author of Coercion, Ecstasy Club, and Media Virus This wide-ranging survey of the American economy at the turn of the millennium is stunning, surprising, and always entertaining. It gives us an unflinching view of the fabric of this country from the point of view of the people who keep it all moving. The more than 120 roughly textured monologues that make up Gig beautifully capture the voices of our fast-paced and diverse economy. The selections demonstrate how much our world has changed--and stayed the same--in the three decades prior to the turn of the millennium. If you think things have speeded up, become more complicated and more technological, you're right. But people's

attitudes about their jobs, their hopes and goals and disappointments, endure. Gig's soul isn't sociological--it's emotional. The wholehearted diligence that people bring to their work is deeply, inexplicably moving. People speak in these pages of the constant and complex stresses nearly all of them confront on the job, but, nearly universally, they throw themselves without reservation into coping with them. Instead of resisting work, we seem to adapt to it. Some of us love our jobs, some of us don't, but almost all of us are not quite sure what we would do without one. With all the hallmarks of another classic on this subject, Gig is a fabulous read, filled with indelible voices from coast to coast. After hearing them, you'll never again feel quite the same about how we work.

Cincinnati was transformed to Cin-sow-nati in the summer of 2000. The Big Pig Gig, a public art initiative, brought local artists, businesses, community and arts organizations, schools and individuals together to celebrate Cincinnati's porkopolis past. More than 400 decorated life-size fiberglass pigs were placed in downtown Cincinnati, OH and Covington and Newport, KY. The Big Pig Gig: Celebrating Pigs in the City is the official keepsake publication of the Big Pig Gig. Containing over 300 gorgeous 4-color photographs by well-known Cincinnati photographers, you will learn how the Big Pig Gig came to be such a success in Cincinnati.

Today, more than a third of Americans are working in the gig economy--mixing together short-term jobs, contract work, and freelance assignments. For those who've figured out the formula, life has never been better! You, too, can learn how to embrace the independent and self-sufficient world of freelance! The Gig Economy is your guide to this uncertain but ultimately rewarding world. Packed with research, exercises, and anecdotes, this eye-opening book supplies strategies--ranging from the professional to the personal--to help you leverage your skills, knowledge, and network to create your own career trajectory--one immune to the impulsive whims of an employer looking only at today's bottom line. Learn how to: Construct a life based on your priorities and vision of success Cultivate connections without networking Create your own security Build flexibility into your financial life Face your fears by reducing risk And much more! Corporate jobs are not only unstable--they're increasingly scarce. It's time to take charge of your own career and lead the life you actually want. Start mapping out your place in the gig economy today!

Unlock the hidden skills within your organization to keep your employees happy and engaged, improve your organization's agility, and lower your costs. What if the talent you're seeking to hire is already on your company's payroll but going untapped? Employees often have capabilities and aspirations that go far beyond their current job descriptions. The Inside Gig will show you how to optimize and energize your workforce by deploying the skills of the employees you already have inside your firm across organizational boundaries. Written by thought leaders and practitioners in the future of work, this book will explain how to: Uncover the hidden skills within your workforce Create a new "Talent Operating Model" to uncover and cost-effectively match the right talent to real-time business challenges Apply machine learning and AI to managing the allocation of resources across departments Bust the "functional silos" in your company to create agile, collaborative teams Improve employee retention by offering employees the opportunity to expand their careers within your organization rather than leaving in search of new challenges In a rapidly changing economy that demands the constant reskilling of workers, the future belongs to companies that can access and deploy talent quickly and efficiently. Read The Inside Gig to start gaining your competitive edge today.

"WORST GIG is Music Appreciation 225, taught by that cool professor everyone wanted to have beers with after class. One fun nugget after another. It was harder to close than my Twitter app."—Matthew James, McSweeney's "Tawdry tales of concert catastrophes!"—Buzzfeed "Musicians' 'Worst Gig' makes for best read ever."—Salon What is the worst show you've ever played? Sometimes the worst shows inspire the best stories. After hundreds of interviews with national headliners and beloved indie acts alike, entertainment journalist Jon Niccum has crafted a collection that chronicles the most embarrassing, most hilarious and most insane live show moments ever. THE WORST GIG features outrageous stories from stars such as Wilco, Def Leppard, Tenacious D, Rush, John Mayer, and The Sex Pistols. Be it nature's wrath, equipment breakdowns or even military intervention, get the wild scoop on what really happened, straight from the artists themselves.
