The Euro and the Battle of Ideas | Princeton University Press

The Euro and the Battle of Ideas is a book by Markus Brunnermeier, Professor of Economics at Princeton University; Harold James, Professor of History at Princeton University; and Jean-Pierre Landau, a former Deputy Governor of the Bank of France, a member of the Board of Directors of the Bank for International Settlements. The book is about the philosophical differences between countries in the European Union, particularly Germany and France, and how their contrasting outlooks on political philo

The Euro and the Battle of Ideas - Wikipedia

The main thesis of this book is that the euro crisis is a product of a long-simmering battle of ideas between Germany and France. After World War II, Germany would focus on strict debt repayment and would prefer low inflation to increase the real value of nominal debt.

The euro crisis has led to the outbreak of a war of ideas in the European continent and to a seismic shift of power within Europe. Starting with fiscal problems in one of Europe's smallest economies, Greece, in late 2009, a long-simmering battle over the appropriate economic philosophy and future design of the European Union broke into the open.

The Euro and the Battle of Ideas - Chapter 1

"Markus Brunnermeier, Harold James and Jean-Pierre Landau have just published a fascinating book, The Euro and the Battle of Ideas, in which they bring together their respective skills in economic theory, economic history and economic policy to bear on one of the most important macroeconomic problems of our times—the rules versus discretion debate. Anyone who has studied this debate—and that's just about anyone who has taken a course in economics—would benefit from reading this book."
