The Lion Awakes is the true story of today's Africa, one often overshadowed by the dire headlines. Traveling from his ancestral home in Uganda, East Africa, to the booming economy and (if chaotic) new democracies of West Africa, and down to the "Silicon Savannahs" of Kenya and Rwanda, Ashish J. Thakkar shows us an Africa that few Westerners are aware exists.

The Lion Awakes is a 2012 film written by Louis Markos and Darren Scott Jacobs and produced by Wernher Pramschufner. Summary. In a time of war and chaos, doubt gives way to faith, fear gives way to courage, and friendship changes everything... In England's darkest hour, a voice rings out to tell her what she is fighting for. In 1941, Nazi planes attack London from the sky as the voice of atheism bombs the very foundations of meaning and imagination from the grounds of Oxford University.

Every morning in Africa, a lion wakes up. It knows it must run faster than the slowest gazelle, or it will starve. It doesn't matter whether you're the lion or a gazelle-when the sun comes up, you'd better be running." ?
