Western, a genre of novels and short stories, motion pictures, and television and radio shows that are set in the American West, usually in the period from the 1850s to the end of the 19th century.

Western | narrative genre | Britannica

Western is a genre of fiction set primarily in the latter half of the 19th and early 20th century in the Western United States, which is styled the "Old West". Its stories commonly center on the life of a nomadic cowboy or gunfighter armed with a revolver and a rifle who rides a horse. Cowboys and gunslingers typically wear Stetson hats, neckerchief bandannas, vests, spurs, cowboy boots, and ...

The Western Front Association was formed in 1980 with the purpose of furthering interest in the history of the First World War of 1914-1918. We also aim to perpetuate the memory, courage and comradeship of all those who served, on all sides, across all theatres and fronts, on land, at sea and in the air and at home, during the Great War.

The Western Front was the main theatre of war during the First World War. Following the outbreak of war in August 1914, the German Army opened the Western Front by invading Luxembourg and Belgium, then gaining military control of important industrial regions in France. The German advance was halted with the Battle of the Marne.
