O livro se volta às origens do Recôncavo Baiano para recriar quase quatro séculos da história do país por meio da saga de múltiplos personagens. "Viva o povo brasileiro" se desenvolve em grande parte no século XIX, mas também viaja a 1647 e avança até 1977. Nele, realidade e ficção se misturam para criar um épico brasileiro com passagens heróicas e cômicas, tendo como pano de fundo momentos decisivos para a história do país, como a Revolta de Camudos e a Guerra do Paraguai.

This epic historical novel is an anti-history of the author's homeland, Brazil. The narrative follows two families - one of aristocrats, the other slaves - through many generations and vicissitudes. The author has also written Sergeant Getulio.

Acid satire and magic realism, erotic raunchiness and spiritualism, fantasy and ecological protest are seamlessly melded in Brazilian novelist Ribeiro's sprawling, exotic, loquacious, captivating novel.

Set in 1940s and '50s provincial Brazil, House of the Fortunate Buddhas is perhaps most startling for it fiery, uninhibited, and highly compelling narrator. By force of her intelligence, courage, and strength of will, she achieves an unlikely liberation of both mind and body, and her sardonic, frank—some have called it pornographic—monologue is an unforgettable work of literary ventriloquism, telling the story of one woman's journey toward fulfillment. From the book: "I decided to give my testimony orally, instead of writing it down, for several reasons, the major one being arthritis. No, let's cut that last line out! I don't have arthritis, and even if I did, I certainly wouldn't let any get into my book. So, fine: preface. I decided to give my testimony orally instead of in writing mainly because it's impossible to write about sex, at least in Portuguese, without coming off like a prostitute who's just been asked to 'talk dirty' for the twentieth time in the same day . . ." House of the Fortunate Buddhas has been translated into French (winning the Grinzane Cavour Prize), Italian, and Spanish, and was adapted into a hit one-woman play in Brazil.
