Traditional principles. Contemporary methods. Unparalleled results. This groundbreaking new writing series combines time-tested classical techniques—the imitation and analysis of great writers—with original composition exercises in history, science, biography, and literature. Skills Taught: • One- and two-level outlining • Writing chronological narratives, biographical sketches, descriptions, and sequences across the curriculum • Constructing basic literary essays on fiction and poetry • Researching and documenting source material • First volume of four that will prepare students for high-level rhetoric and composition Features of the program: • Writing assignments are modeled on examples from great literature and classic nonfiction • All source material for assignments is provided—no other books are needed • This Instructor Text provides scripted dialogue to use when the student has difficulty, plus detailed guidance on how to evaluate the student ' s work • Student Workbook (sold separately) encourages independence by directing all assignments to the student • First volume of four that will prepare students for high-level rhetoric and composition

This textbook is designed to help [the reader] master the skills required for the effective use of standard English. Beginning with the basics in grammar, usage, and mechanics ... each chapter provides [the reader] with instruction and practice in specific skills. The numerous exercises throughout the book enable[s the reader] to check [his] understanding of important concepts, rules, and guidelines. In addition, various writing exercises and activities offer [the reader] opportunities to apply what [he has] learned. - To the student.

Learn a broad range of techniques for dry flies, streamers, and wet flies by tying the modern flies that everyone is talking about. Author Tim Cammisa teaches you how to tie these simple but effective patterns and then how to take the techniques you ' ve learned and use them for most of the other core patterns—old and new—that should be in your box. Includes information on the latest materials, tying tips from other tiers, and 16 patterns with recipes and complete step-by-step instructions.

Elements of Language 2009 provides practical teaching strategies, differentiated instruction, and engaging presentation tools that offer more ways to reach more students than ever before. In partnership with teachers like you, Holt created Elements of Language to provide practical teaching strategies for today's challenging classroom, innovative ways to differentiate instruction, and streamlined technology tools. Designed with your students in mind, this program offers you the flexibility and options to manage your diverse classroom.--Publisher.

Designed for middle school teachers and students in California. Offer teachers and students a method to focus on the written and oral language convention required by the standards--to provide an effective way to teach and learn grammar, usage, and mechanics skills.
