Laura Ingalls Wilder's Little House books, based on her own childhood and later life, are still beloved classics almost a century after she began writing them. Now young readers will see just how similar Laura's true-life story was to her books. Born in 1867 in the "Big Woods" in Wisconsin, Laura experienced both the hardship and the adventure of living on the frontier. Her life and times are captured in engaging text and 80 black-and-white illustrations.

Illustrated biographies featuring a range of fascinating figures from history (and current figures, too!) provide great information and entertainment through short chapters and illustrations that will appeal to reluctant readers as well as middle readers in general. Original.

The third book in Laura Ingalls Wilder's treasured Little House series—now available as an ebook! This digital version features Garth Williams's classic illustrations, which appear in vibrant full color on a full-color device and in rich black-and-white on all other devices. The adventures continue for Laura Ingalls and her family as they leave their little house in the Big Woods of Wisconsin and set out for the big skies of the Kansas Territory. They travel for many days in their covered wagon until they find the best spot to build their house. Soon they are planting and plowing, hunting wild ducks and turkeys, and gathering grass for their cows. Just when they begin to feel settled, they are caught in the middle of a dangerous conflict. The nine Little House books are inspired by Laura's own childhood and have been cherished by generations of readers as both a unique glimpse into America's frontier history and as heartwarming, unforgettable stories.

Before Laura Ingalls Wilder found fame with her Little House books, she made a name for herself with short nonfiction pieces in magazines and newspapers. Read today, these pieces offer insight into her development as a writer and depict farm life in the Ozarks—and also show us a different Laura Ingalls Wilder from the woman we have come to know. This volume collects essays by Wilder that originally appeared in the Missouri Ruralist between 1911 and 1924. Building on the initial compilation of these articles under the title Little House in the Ozarks, this revised edition marks a more comprehensive collection by adding forty-two additional Ruralist articles and restoring passages previously omitted from other articles. Writing as “Mrs. A. J. Wilder” about modern life in the early twentieth-century Ozarks, Laura lends her advice to women of her generation on such timeless issues as how to be an equal partner with their husbands, how to support the new freedoms they’d won with the right to vote, and how to maintain important family values in their changing world. Yet she also discusses such practical matters as how to raise chickens, save time on household tasks, and set aside time to relax now and then. New articles in this edition include “Making the Best of Things,” “Economy in Egg Production,” and “Spic, Span, and Beauty.” “Magic in Plain Foods” reflects her cosmopolitanism and willingness to take advantage of new technologies, while “San Marino Is Small but Mighty” reveals her social-political philosophy and her interest in cooperation and community as well as in individualism

and freedom. Mrs. Wilder was firmly committed to living in the present while finding much strength in the values of her past. A substantial introduction by Stephen W. Hines places the essays in their biographical and historical context, showing how these pieces present Wilder's unique perspective on life and politics during the World War I era while commenting on the challenges of surviving and thriving in the rustic Ozark hill country. The former little girl from the little house was entering a new world and wrestling with such issues as motor cars and new "labor-saving" devices, but she still knew how to build a model small farm and how to get the most out of a dollar. Together, these essays lend more insight into Wilder than do even her novels and show that, while technology may have improved since she wrote them, the key to the good life hasn't changed much in almost a century. *Laura Ingalls Wilder, Farm Journalist* distills the essence of her pioneer heritage and will delight fans of her later work as it sheds new light on a vanished era.

"For gardeners, botanists, and fans of Laura Ingalls Wilder, this book looks at the beloved *Little House on the Prairie* author's relationship to nature." —Publishers Weekly The universal appeal of Laura Ingalls Wilder springs from a life lived in partnership with the land, on farms she and her family settled across the Northeast and Midwest. In this revealing exploration of Wilder's deep connection with the natural world, Marta McDowell follows the wagon trail of the beloved *Little House* series. You'll learn details about Wilder's life and inspirations, pinpoint the Ingalls and Wilder homestead claims on authentic archival maps, and learn to grow the plants and vegetables featured in the series. Excerpts from Wilder's books, letters, and diaries bring to light her profound appreciation for the landscapes at the heart of her world. Featuring the beloved illustrations by Helen Sewell and Garth Williams, plus hundreds of historic and contemporary photographs, *The World of Laura Ingalls Wilder* is a treasure that honors Laura's wild and beautiful life.

A biography of the author of the "Little House" books, including the years of her marriage to Almanzo Wilder.

Available for the first time and collected in one volume, the letters of one of America's most beloved authors, Laura Ingalls Wilder—a treasure trove that offers new and unexpected understanding of her life and work. *The Selected Letters of Laura Ingalls Wilder* is a vibrant, deeply personal portrait of this revered American author, illuminating her thoughts, travels, philosophies, writing career, and dealings with family, friends, and fans as never before. This is a fresh look at the adult life of the author in her own words. Gathered from museums and archives and personal collections, the letters span over sixty years of Wilder's life, from 1894–1956 and shed new light on Wilder's day-to-day life. Here we see her as a businesswoman and author—including her beloved *Little House* books, her legendary editor, Ursula Nordstrom, and her readers—as a wife, and as a friend. In her letters, Wilder shares her philosophies, political opinions, and reminiscences of life as a frontier child. Also included are letters to her daughter, writer Rose Wilder Lane, who filled a silent role as editor and collaborator while the famous *Little House* books were being written. Wilder biographer William Anderson collected and researched references throughout these letters and the result is an invaluable historical collection, tracing Wilder's life through the final days of covered wagon travel, her life as a farm woman, a country journalist, Depression-era author, and years of fame as the writer of the *Little House* books. This collection is a sequel to her beloved books, and a snapshot into twentieth-century living.

WINNER OF THE PULITZER PRIZE
WINNER OF THE NATIONAL BOOK CRITICS CIRCLE AWARD
ONE OF THE NEW YORK TIMES BOOK REVIEW'S 10 BEST BOOKS OF THE YEAR
The first comprehensive historical biography of Laura Ingalls Wilder, the beloved author of the *Little House on the Prairie* books Millions of readers of *Little House on the Prairie* believe they know Laura Ingalls—the pioneer girl who survived blizzards and near-starvation on the Great Plains, and the woman who wrote the famous autobiographical books. But the true saga of her life has never been fully told.

Now, drawing on unpublished manuscripts, letters, diaries, and land and financial records, Caroline Fraser—the editor of the Library of America edition of the Little House series—masterfully fills in the gaps in Wilder’s biography. Revealing the grown-up story behind the most influential childhood epic of pioneer life, she also chronicles Wilder’s tumultuous relationship with her journalist daughter, Rose Wilder Lane, setting the record straight regarding charges of ghostwriting that have swirled around the books. The Little House books, for all the hardships they describe, are paeans to the pioneer spirit, portraying it as triumphant against all odds. But Wilder’s real life was harder and grittier than that, a story of relentless struggle, rootlessness, and poverty. It was only in her sixties, after losing nearly everything in the Great Depression, that she turned to children’s books, recasting her hardscrabble childhood as a celebratory vision of homesteading—and achieving fame and fortune in the process, in one of the most astonishing rags-to-riches episodes in American letters. Spanning nearly a century of epochal change, from the Indian Wars to the Dust Bowl, Wilder’s dramatic life provides a unique perspective on American history and our national mythology of self-reliance. With fresh insights and new discoveries, *Prairie Fires* reveals the complex woman whose classic stories grip us to this day.

"[E]xamines Wilder's tumultuous, but ultimately successful, professional and personal relationship with her daughter—the hidden editor—Rose Wilder Lane.

Laura Ingalls Wilder wrote stories that have defined the American frontier for generations of readers. As both author and character in her own books, she became one of the most famous figures in American children’s literature. Her famous Little House on the Prairie series, based on her childhood in Wisconsin, Kansas, Minnesota, and South Dakota, blended memoir and fiction into a vivid depiction of nineteenth-century settler life that continues to shape many Americans’ understanding of the country’s past. Poised between fiction and fact, literature and history, Wilder’s life is a fascinating window on the American West. Placing Wilder’s life and work in historical context, and including previously unpublished material from the Wilder archives, *Sallie Ketcham* introduces students to domestic frontier life, the conflict between Native Americans and infringing white populations, and the West in public memory and imagination.
