Woolvs In the Sitee is written in the invented spelling style of Ben, a preteen boy living alone in an unknown city in strange circumstances. Dark, jagged illustrations visually reinforce Ben's plea that something sinister has taken over: "These woolvs are hatefuls. And hating. They are in the sitee. They are everewhere. They spare no won."

Woolvs in the Sitee Language 2. Poetic Style <ul><li>' Woolvs in the Sitee' is laid out in a poetic style, reading very much as free verse. This style may have been chosen to tell the story as it seems to show more of a fantasy element and it, like the spelling of the words, makes the familiar seem strange for the reader. </li></ul>

A rhyming story about of all kinds of frolicking baby creatures.

As his affectionate parents nourish and protect him, a plucky young puffin impatiently waits--but not without some reservations--for the day when he is "strong enough and tall enough and brave enough" to leave his nest on the rocky cliff-face and waddle off to the sea.

A moving and ultimately hopeful look at what we hold most dear — and carry with us — when we are forced to flee our homes because of war. When the enemy bombs the library, everything burns, and only one book survives. As war rages around them, Peter and his father, alongside so many refugees, flee their home, taking with them a treasure box that holds something rarer than rubies and more precious than gold. They journey through mud and rain and long cold nights, and soon survival becomes more important than any possession. But as the years go by, Peter never forgets the treasure box, and one day he returns to find it. This moving story from celebrated author Margaret Wild is illustrated with Freya Blackwood's subtly affecting artwork, which incorporates pages of children's books in translation. The result is a haunting and beautiful tale of the power of stories and the resilience of the human spirit.

In this reassuring story, Lucy Goosey learns to face her greatest fear, with the help of her mother, when it comes time for her to fly away from the same pond she has been playing in happily all of her life.

I am Vampyre. Feared. Despised. I sleep in darkness. I long for light. From the dark depths of his vampyre world, a vampyre boy reflects on the joyous days of his childhood and his current life as a vampyre. Thought-provoking and atmospheric, *Vampyre* is a monumental picture book about identity, making choices and being true to oneself from award-winning author, Margaret Wild, with breathtaking illustrations by new illustrator, Andrew Yeo.

A Jewish child, who remembers his home before life in a concentration camp, makes toys with the women to give to the other children at the very special party they are going to have when the soldiers arrive to liberate the camp.

Jenny's little brother Davy is very ill and her mother says that no one will be able to keep him alive. But Jenny thinks that as long as she watches over Davy, nothing can happen. An emotionally charged story about a young girl's courageous stand, and the uncertainty and beauty of life.
