provides a unique comparison
of modern therapy and
traditional methods. Drawing
upon a rich diversity of
experience, the authors give
detailed examples of how the
ancient findings of yoga can
be used to supplement or
replace some of the less
complete Western theories
and techniques.

Yoga and Psychotherapy: The
Evolution of Consciousness.

For thousands of years, yoga has offered what Western therapists seek to provide today: a way to achieve the total health of body, mind, emotions, and spirit. Yoga & Psychotherapy is an in-depth analysis of Western and Eastern models of the mind and their differing perspectives on such functions as ego, instinct, and consciousness.
